

Table No.	LIST OF TABLES	Page. No.
2.1	Inter - state disparity in levels of Industrialization	20
2.2	Per capita Domestic product by state (1960-61 to 1984 - 1985) at 1970 - 1971 prices.	22
2.3	Employment, value added and capital invested by Industry in factory sector of Gujarat (1982 - 1983).	26
2.4	Number of factories and workers employed in all registered factories in Gujarat state (1960-1982)	28
2.5	Specialization coefficient of the regions of India.	31
2.6	Coefficient of specialization by Industrial homogeneous regions : Gujarat	32
2.7	Number of factories and workers employed in all registered factories by district in Gujarat State (1960 - 1984)	35
3.1	Type of ownership in chemical Industry	47
3.2	Present size of firms by the ownership pattern of the firms.	49
3.3	Sources of initial financing of enterprises by Industrial category.	60
3.4	Source of initial financing of enterprises by their size.	62
3.5	Initial financing of enterprises by the ownership pattern	63
3.6	Average size and performance of enterprises by their ownership pattern.	65
3.7	Average size and performance of enterprises by the business background of entrepreneur.	68
3.8	Distribution of entrepreneurs by level of education and age at starting of the enterprise.	73
3.9	Performance of enterprises by type of ownership and educational level of entrepreneurs.	75

3.10	Performance of enterprises by type of ownership and technical background of the entrepreneurs.	76
3.11	Distribution of entrepreneurs by migration and age at starting of the enterprise.	80
3.12	Distribution of entrepreneurs by level of education and migration	81
3.13	Size and performance of enterprises by the nativity of the entrepreneur.	82
3.14	Caste and Religious background of entrepreneurs and their performance in the market.	88
3.15	Coefficient of correlation matrix.	101
3.16	Factors affecting performance of chemical enterprises : Regression results.	102
4.1	Growth performance of chemical enterprises from inception.	129
4.2	Chemical enterprises showing positive growth by different criteria.	132
4.3	Average annual growth rate of firms by Industry.	133
4.4	Average annual growth rate of firms by age of firms.	136
4.5	Average annual growth rate of firms by their size (H.P. connected) and the variation in growth rates.	139
4.6	Growth of firms since inception (by year of establishment).	141
4.7	Rate of growth of investment of the firms established before 1975.	143
4.8	Rate of growth of investment of firms established before 1975 by size and industrial group.	145
4.9	Distribution of Electrified and permanently Disconnected (PDC) Industrial units by load connected and nature of industrial activity, located in Baroda region (1984).	151

4.10	Age profile of permanently disconnected units (PDC units); 1961 - 1984 (Baroda region)	153
4.11	Distribution of permanently disconnected units and probability of survival of small scale units; Baroda region (1961-1984)	155
4.12	Distribution of permanently disconnected units and probability of survival of small scale chemical units; Baroda region (1961 - 1984).	156
5.1	Capital intensity and productivity of labour for different categories of chemical enterprises.	181
5.2	Capital required per unit of total output (capital coefficient) in chemical enterprises by capital invested.	184
5.3	Capital - value Added ratios in chemical enterprises by capital invested.	186
5.4	Value added per man day of labour (Labour productivity) in chemical enterprises by Capital invested.	188
5.5	Results of Cobb - Douglas Fitted production function with value added as dependent variable.	193
5.6	Results of Cobb-Douglas Fitted production function with total output as dependent variable.	195
5.7	Testing of returns to scale : Cobb - Douglas production function.	197
6.1	Input structure of different chemical industrial groups (Input coefficients); (1984-85).	244
6.2	Purchase of inputs by various chemical industries of Baroda from various industries located in Baroda district and out side Baroda district. (at 1984 - 1985 Price).	253
6.3	Disposal of output produced by chemical industry in Baroda to various industries located in Baroda district and outside Baroda district (at 1984-85 Prices).	261

6.4	Sale and purchase of material : chemical enterprises and large scale units.	271
6.5	Sale and purchase of material : chemical enterprises and urban centres.	274
6.6	Industry wise purchase of raw material and sale of finished products by the place of origin and place of destination.	277
6.7	Purchase of raw material and sale of finished products by place of origin and place of destination by horse power connected to enterprises.	280
