Chapter	Particulars	Page
I	INTRODUCTION	
	1.1 Marketing and Economic Development.	2
	a) Role of Marketing in Economic Development.	
	b) Concept of a National Market in Developing Economies.	
	c) Marketing and productivity gain in the agricultural sector of developing economies.	
	d) Role of marketing functions in economic development.	
	e) Co-ordinated marketing systems.	
	f) Marketing and economic development - its relevant to Modern Small Scale Sector in India.	
	1.2 Role of the small sector.	17
	1.3 Definition of Small Scale Industry	19
	1.4 Arguments in favour of Small Scale enterprises.	23
	1.5 Handicaps of the small sector.	25
	1.6 Government policies towards SSI.	25
	1.7 Nature and scope of the study.	27
	1.8 Limitations of the study.	28
	1.9. Organisation of the study - chapterisation.	30

Chapter	Particulars	Page
II.	A REVIEW OF SOME STUDIES ON SMALL SCALE INDUSTRY.	
	2.1 Introduction.	36
	2.2 Surveys/studies on small scale units.	37
	a) Survey conducted by FICCI.	
	b) Technology in the small sector	
	c) Management in small enterprises.	
	d) Survey on small scale units in Andhra Pradesh.	
	e) Survey on SSI units in Gujarat	
	2.3 Markarpura Industrial Estate - GIDC survey	46
	a) Marketing problems in Makarpura Industrial Estate	
	b) Marketing problems in the different industry groups	
	c) Under-utilization of Installed Production capacity in Makarpura Industrial Estate.	
	2.4 Case for a study on the marketing practices of small scale industrial units.	59
III.	MAKARPURA INDUSTRIAL ESTATE.	
	A) Introduction.	
	3.1 Objectives served by an Industrial Estate.	68
	3.2 Definition of an Industrial Estate	70

Chapter	Particulars	Page
	B. About Makarpura Industrial Estate	
	3.3 Genesis of Makarpura Industrial Estate	72
	3.4 Location	73
	3.5 Baroda	73
	3.6 Classification of the Makarpura Industrial Estate.	75
	3.7 Investment	76
	3.8 Composition of the industrial units in Makarpura estate.	77
	3.9 Infrastructure facilities.	80
	a) Physical infrastructure facilities	
	b) Industrial infrastructure facilities.	
	c) Social infrastructure facilities	
	3.10 An appraisal of Makarpura Industrial Estate.	88
	a) Favourable aspects.	
	b) Unfavourable aspects.	
IV.	METHODOLOGY.	
	4.1 Introduction	98
	a) Statement of the problem	
	b) Research objectives	
	c) Focus of research	
	4.2 Sampling	100
	a) Sample frame	
	b) Sample size	
	c) Sampling technique	
	d) Sample selection	

Chapter	Particulars	Page
	4.3 Instrumentation-Questionnaire.	104
	4.4 Scoring technique	106
	4.5 Data collection	108
	4.6 Data analysis.	109
	4.7 Classification of respondent units.	110
	4.8 Variables inthe present study.	120
V	ANALYSIS AND INTERPRETATION OF DATA: COMPARISON AND DIFFERENTIATION OF GROUPS.	
	5.1 Introduction.	123
	Section I:	
	5.2 Performance of the sample on different marketing practices.	124
	5.3 Market oriented group compared with job work group in terms of adoption of marketing practices.	125
	5.4 Partnership group compared with Proprietory group in terms of adoption of marketing practices.	134
	5.5 Ancillary SSI group compared with non-ancillary SSI group in terms of adoption of marketing practices.	140
	5.6 High capital intensive group compared with low capital intensive group in terms of adoption of marketing practices.	146
	5.7 Concluding remarks on section I.	151
	Section II:	
	5.8. Introduction	156
	5.9 The Market oriented group and job work oriented group differentiated on various marketing practices.	156

Chapter	Particulars	Page
	5.10 The Partnership and Proprietary groups differentiated on various marketing practices. . . .	170
	5.11 The Ancillary SSI and non-ancillary SSI groups differentiated on various marketing practices. . . .	177
	5.12 The High Capital intensive group and Low Capital intensive group differentiated on various marketing practices. . . .	179
	5.13 Concluding remarks. . . .	181
VI.	ANALYSIS AND INTERPRETATION OF DATA : ASSOCIATION BETWEEN SALES AND MARKETING PRACTICES.	
	6.1 Introduction. . . .	183
	Section I:	
	6.2 Stepwise regression applied on entire sample. . . .	186
	a) Correlations of all variables.	
	b) Regression of variable 1 (sales) on variable 2 (CDP)	
	c) Regression of variable 1 (sales) on variable 2 (CDP) and 6 (PMP)	
	d) Regression of variable 1 (sales) on variables 5, 3 and 4 (PRP, PDP & NPP)	
	e) Interpretation of regression results for the entire sample.	
	6.3 Discussion on variable 2 (CDP) . .	193
	6.4 Discussion on variable 6 (PMP) . . .	199
	Section II:	

Chapter	Particulars	Page
	6.5 Regression analysis - contribution of significant variables 2 and 6 in the different groups of classification.	204
	a) Introduction	
	b) Market oriented group	
	c) Job work oriented group	
	d) Partnership group	
	e) Proprietory group	
	f) Ancillary SSI group	
	g) Non-ancillary SSI group	
	h) High capital intensive groups.	
	i) Low capital intensive group.	
	j) Concluding remarks on section II	
VII	SUMMARY, IMPORTANT FINDINGS AND THEIR IMPLICATIONS.	
	7.1 Summary of the study.	223
	7.2 Findings and their implications.	226
	7.3 Suggestions for further research	231
