

## LIST OF TABLES

PAGE

I.1	: Co-ordinated Marketing System, Developed versus less developed countries. . . . .	11
I.2	: Growth of Small Industries. . . . .	18
I.3	: Categories of industries covered under the title 'Village and Small Industries' (VSI). . . . .	22
II.1	: Extent of the Marketing problem in GIDC Industrial Estate at Makarpura. . . . .	49
II.2	: Extent of the Marketing problem in GIDC Industrial Estate at Makarpura for the year 1986-87 (Industry-wise) . . . . .	50
II.3	: Extent of Under-utilization of Installed production capacity in Makarpura Industrial Estate. . . . .	51
III.1	: Classification of Units in Makarpura Industrial Estate as per National Industrial Classification (1970) . . . . .	79
III.2	: Allotment of sheds by GIDC for the period 1970 to 1987. . . . .	84
III.3	: 'Investment' in Makarpura Industrial Estate. . . . .	89
III.4	: 'Output' in Makarpura Industrial Estate. . . . .	89
III.5	: 'Employment' in Makarpura Industrial Estate. . . . .	90
IV.1	: Details of the population of GIDC Industrial Estate at Makarpura, Baroda. . . . .	102

IV.2	: Industrial classification of Units included in the sample.	112
IV.3	: Composition of Market oriented units and Job work oriented units in the sample.	113
IV.4	: Composition of Partnership units and Proprietary units in the sample.	115
IV.5	: Composition of Ancillary units and Non-ancillary units in the sample.	117
IV.6	: Composition of High Capital Intensive units and Low Capital Intensive units in the sample.	118
IV.7	: Composition of Consumer goods units and Industrial goods units in the sample.	119
V.1	: Performance of Entire sample on different marketing practices.	125
V.2	: Comparison of MO-JW groups on different marketing practices.	127
V.3	: Composition of PT-P groups on different marketing practices.	135
V.4	: Comparison of ASSI-NASSI groups on different marketing practices.	141
V.5	: Comparison of HCI-LCI groups on different marketing practices.	147
V.6	: Differentiation of MO-JW groups.	158
V.7	: Differentiation of PT-P groups.	171
V.8	: Sales performance in PT and P groups.	176
V.9	: Differentiation of ASSI-NASSI groups.	178

V.10	: Differentiation of HCI-LCI groups. . . .	180
VI.1	: Correlation matrix of all the 6 variables ( n = 52) . . .	186
VI.2	: Interpretation of correlation results. . . .	187
VI.3	: Contribution of predictor variable 2 (CDP)..	188
VI.4	: Regression of variable 1 (sales) on variable 2 (CDP) . . .	189
VI.5	: Contribution of variables 2 (CDP) and 6 (PMP) . . .	190
VI.6	: Regression of variable 1 (sales) on variable 2 and 6 (CDP & PMP) . . .	191
VI.7	: Identification of the target market. . .	195
VI.8	: Estimation and forecast of total market demand and market share. . . .	196
VI.9	: Information on competition. . . .	198
VI.10	: Promotional aspects. . .	201
VI.11	: Response sought through communication. . .	202
VI.12	: Simple correlations in the market oriented group (n = 34) . . . .	206
VI.13.	: Regression of variable 1 on variable 2 and 6 in the market oriented group. . . .	207
VI.14	: Simple correlations in the job work oriented group (n=18). . . .	208
VI.15	: Regression of variable 1 on variable 2 & 6 in the job work oriented group. . . .	209

VI.16	: Simple correlation in the partnership group (n = 35)	209
VI.17	: Regression of variable 1 on variables 2 and 6 in the partnership group.	210
VI.18	: Simple correlations in the proprietary group (n = 17)	212
VI.19	: Regression of variable 1 on variables 2 and 6 in the proprietary group.	212
VI.20	: Simple correlations in the ASSI group (n = 23)	213
VI.21	: Regression of variable 1 on variables 2 and 6 in the ASSI group.	214
VI.22	: Simple correlations in the NASSI group (n = 29)	215
VI.23	: Regression of variable 1 on variables 2 and 6 in NASSI group.	216
VI.24	: Simple correlations in the high capital intensive group (n = 11)	218
VI.25	: Regression of variable 1 on variables 2 and 6 in the high capital intensive group.	218
VI.26	: Simple correlation in the low capital intensive group (n = 41)	220
VI.27	: Regression of variable 1 on variables 2 and 6 in the low capital intensive group.	220
VII.1	: Major findings.	227
