

LIST OF TABLES

<u>TABLE</u>		<u>PAGE</u>
I.1	Stratigraphic sequence of Kutch	14
IV.1	Model of occurrence of Kutch miliolites	64
IV.2	Distribution and occurrences of miliolite rocks of Mainland Kutch	65
V.1	Constituents of Kutch miliolites	133
V.2	Variation in maximum size of various allochems in Kutch miliolite along section AA'	155
V.3	Variation in average size of various allochems in Kutch miliolite along section AA'	157
V.4	Variation in maximum size of various allochems in Kutch miliolite along section BB'	159
V.5	Variation in average size of various allochems in Kutch miliolite along section BB'	161
V.6	Thin section analysis of various constituents (% by vol.) of Kutch miliolites along section AA'	165
V.7	Thin section analysis of various constituents (% by vol%) of Kutch miliolites along section BB'	166
V.8	Insoluble Residues and CaCO_3 content (% by weight) of Kutch miliolites along section AA'	168
V.9	Insoluble Residues and CaCO_3 content (% by weight) of Kutch miliolites along section BB'	169
VI.1	Chemical analysis of some of the Kutch miliolites	196
