

Dedicated to my beloved Parents...

ACKNOWLEDGEMENTS

I bow down in the feet of Almighty God

Looking back, I am surprised and at the same time very grateful for all I have received through these years. It has certainly moulded me as a person and has led me where I am now. My Ph.D. would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of the study.

I sincerely thank to the almighty god for providing this opportunity and constantly flourishing me with inspiration and strength to successfully accomplish my research goal.

First and foremost, I would like to express my hearty gratitude to my Ph.D. supervisor, Prof. N.S.R. Krishnayya for introducing me to this interesting world of Ecology and plant-soil interactions. Under his guidance I carried out this work and his constant, motivation, enthusiasm, constructive criticism and encouragement throughout the work is greatly acknowledged. His expertised skills helped me in my research work from the beginning till end. I could not have imagined having a better guide for my Ph.D. studies.

I am very much thankful to the financial assistance provided by Indian Institute of Remote Sensing (IIRS), Dehra Dun (India) for their financial assistance through – Vegetation Carbon Pool (VCP) assessment project during the entire course of my field study. I am thankful to Dr. Sarnam Singh Sir for their expert guidance for forest field work and data collection.

My indebted thanks to Prof. (Mrs.) Sandhya K. Garge (Head, Dept. of Botany) and Prof. Arun Arya (Ex-Head, Dept. of Botany) for providing various facilities during the course of my study. I am thankful to Prof. (Mrs.) Neeta R. Pandya ma'am and all the teaching staff from the department for their support through all this time.

I thank my lab mates Dinakaran, Dhaval, Alka didi, Binal didi, Shivangi didi, Krishna didi, Vallabhi, Aparna, Shrena, Divya, Manjit, Nikita, Arpita and Rashmi for making our lab a great working place and at times an enjoyable place to come and happily work each and every day. My sincere thanks to my department friends Bhavna Sharma, Vijay Mane, Ami, Rinku, Dhara, Ramandeep, Hiral, Poonam, for their cheerful encouragement throughout my study. I also thank my old friends Saurin, Tanmay, Kunjesh, Piyush and all other for their encouragement.

My sincere gratitude to Mr. Husmukh bhai, who looked after my project account, Mr. Sharmaji and Mr. Prakash bhai for their help and support. I also thank all the lab technicians, non-teaching staff members of the Dept. of Botany for their sensible help and support. I thank Mr. Sailesh bhai and his workers for taking care of my field samples in Botanical garden.

I acknowledge Gujarat forest department officials for providing a necessary permission to enter into the forests. I am thankful to all field assistants and forest department watchmen for their assistance during the field trips and collection of field samples.

I am deeply indebted to the blessings and encouragement given by my parents Sadhana and Kirankumar Mehta, my brother Nehal Mehta, my better half Mansi, and my parents in-law Geetaben and Umeshbhai Gor, during my Ph.D. study.

Finally I thank those who have touched my life by prayers, blessings and wishes during the course of my study.

Nirav Mehta
