ACKNOWLEDGEMENT
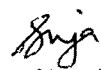

I would like to take this opportunity to express my deepfelt sense of gratitude and indebtness to Prof. H.S.Desai for his valuable and stimulating supervision, constructive suggestions and constant encouragement at everystage through out the course of study.

I am highly obliged to Dr.(Mrs) Kusum Lata and Dr.(Mrs) Vijayshri of Meerut University for providing me with their data. I also recall with great appreciation the active support rendered to me by my senior colleagues Dr. N. S. Rao, Dr.(Mrs.)Chandra-Prabha and Dr. K.N.Joshipura at various stages of this work.

I thankfully acknowledge the help I received from the staff of M.S.University computer centre in carrying out the computational work.

Lastly, I wish to acknowledge the financial assistance received from the M.S.University of Baroda.

BARODA.   (Mrs. K. Suja)
