

ACKNOWLEDGEMENT

I am expressing my deep sense of gratitude to my revered guide Dr. (Mrs.) K.A.Bhagwat, Reader Dept. of Botany, the M.S.University of Baroda for suggesting this problem and for her able guidance and creative criticisms with constant encouragement and making noteworthy suggestions through out the investigation. I take this opportunity to render my heartfelt thanks to my guide.

I am thankful to Prof. S.D. Sabnis, Ex-Head Dept. of Botany, Pro-Vice Chancellor, M.S.University and Prof. R.P. Bhatt, Head, Dept. of Botany for their encouragement throughout the work, by providing adequate facilities.

I express my sincere thanks and gratefulness to Prof. Dr. Udaiyan, Head Dept. of Botany, Bharathiyar University, Coimbatore, Dr.(Miss.) T.Sundaram Ex-Head and Dr. Rev. Sr. Marciana, Head Dept. of Botany, Nirmala College, Coimbatore for their keen and personal interest and for being a constant source of inspiration during the course of the investigation.

My special thanks are due to my friends Mr. Jayesh Bhatt and Mr. Thulsi Srinivas Dept. of Botany, M.S.Univ. of Baroda, for their kind help during field survey, without which this work might not have completed in time.

I take pleasure in thanking Scientists of SAC, Ahmedabad Dr. R.N.Jadev, Dr. R.P. Navalgund, Dr. Beldev Sahai, Mr. Jothimani for providing me the facilities and suggestions during the study. I would like to acknowledge Mr. C. Arulmani, Scientist and other staffs & colleagues IIRS Dehradun for their kind involvement and encouragement in the course of this work.

I am gratefully indebted to Dr. T.K. Biswas, Scientist NFBGA, IARI, New Delhi, Dr. P.K. Pandey, Scientist CFRI, Bhubaneswer. Mr. Mothikumar Scientist HARSAC, Hisar Mr. Amit Patel geologist GWRD, Ahmedabad for their kind help and constant inspiration in this work.

Sincere thanks are due to the Agricultural Officer and to all the Gram Sevaks of Khambhat taluka, for their invaluable co-operation during my field-survey.

Grateful acknowledgements are also made to Prof. Acharya Arjundeva, Mr. Ashok Bhagwat, Mr. Bhojani and to their family members for being a constant source of inspiration and support during the course of the investigation.

I take pleasure in thanking my colleagues of Ecophysiology lab. Dept. of Botany, M.S. University for their special interest during my study.

I owe to a great deal to my family members for their love and affection and also for encouraging me to persue this degree. I am very much thankful to Mr. M.Subramani, Mr. J. Balan, Mr. N. Anandan and Miss. Kalai Selvi for being a source of inspiration and for their moral support during this study.

I am very much thankful to Mr. Ravi for photography and friends of Midea Point, Fatehgunj, Baroda for shaping the thesis excellently.

Mere words cannot express the kind timely help and invaluable assistance of my friends at various phase of study. My heartfelt thanks to each one of them.

N. MURUGAN.

BARODA.
