

## LIST OF PUBLICATION

1. 'Kinetic Studies of Methyl methacrylate and Butyl acrylate polymerization in Emulsion and Microemulsion media', Surekha Devi\*, Anita Jain, Sachin Sathe and Santanu Roy. **Proceedings of the First World Congress on Emulsion**, 19-22, October 1993, Paris, France, 4-20, 226.
2. 'Some Studies of Methyl methacrylate and Butyl acrylate copolymerization in emulsion and microemulsion media', Santanu Roy and Surekha Devi\*. **Polymer Science - Present Advances**, Editor I. S. Bhardwaj, Vol 1, Page 152. **Proceedings of Polymer 94 at Indian Petrochemicals Corporation Ltd.**, Vadodara, India.
3. 'Copolymerisation of Methyl methacrylate and Butyl acrylate in Microemulsion Media', Santanu Roy and Surekha Devi\*. **Macromolecules - Current Trends Vol 1**, Page 238. **Proceedings of the International Symposium of Macromolecules**, January 11-13, 1995 at VSSC, Thiruvananthapuram.
4. 'Mechanism of Microemulsion Polymerization of Methyl methacrylate : Experimental Evidences', Santanu Roy and Surekha Devi\*. **Journal of Applied Polymer Science**. (in press).
5. 'High-solids-content semicontinuous microemulsion copolymerization of methyl methacrylate and butyl acrylate', Santanu Roy and Surekha Devi\*. **Polymer**. (accepted for publication).
