

A C K N O W L E D G E M E N T

I feel privileged to express my deep regard and indebtedness to Dr. D.M. Shringarpure, Professor of Geology, M.S.University of Baroda, under whose guidance and supervision this work was carried out. I am highly indebted to him for his constant encouragement, indepth and lively technical discussions and for scrutinizing the manuscript critically.

Permission to refer to the core/cutting samples was granted by the authorities of the ONGC. The author feels gratefully indebted for this. My grateful thanks are due to Shri Madan Mohan, Group General Manager (Exploration) and Dr. N.P.Singh, Deputy General Manager (Geology).

Thanks are also due to Dr. S.J.Desai, Professor and Head, Department of Geology, M.S.University of Baroda.

I am grateful to Dr. Satish Patel, Lecturer in Geology Faculty of Science, M.S.University of Baroda for his help and encouragement.

Further, I wish to take this opportunity to record my sincere thanks and acknowledge the help rendered to me by my colleagues Shri R.N.Singh, A.Poovendan, P.D.Prabhakar and for their constant encouragement at various stages during my work which helped me to complete my task. I am also thankful to Shri Arjun Lal for his help in drawings and Shri A.S.Sah for help in microphotographic prints.

Lastly my thanks are due to my parents and family members especially to my wife Mrs. Vijaya.
