

## LIST OF CHARTS AND PLATES

	After Page
1.1A Frequency chart of well Gandhar-A	250
1.1B Frequency chart of well Gandhar-A	250
1.1C Frequency chart of well Gandhar-A	250
1.1D Frequency chart of well Gandhar-A	250
1.1E Frequency chart of well Gandhar-A	250
1.1F Frequency chart of well Gandhar-A	250
1.2A Frequency chart of well Gandhar-B	250
1.2B Frequency chart of well Gandhar-B	250
1.3 Frequency chart of well Gandhar-E	250
1.4A Frequency chart of well Pakhajan-A	250
1.4B Frequency chart of well Pakhajan-A	250
1.5 Frequency chart of well Dahej-A	250
1.6 Frequency chart of well Palej-A	250
1.7 Frequency chart of well Matar-A	250
2.1A Palynological zonation and distribution of significant Palynofossils in the subsurface Paleogene sequence of Broach depression in South Cambay Basin.	251
2.1B Palynological zonation and distribution of significant palynofossils in the subsurface Paleogene sequence of Broach depression in South Cambay Basin.	252
2.1C Palynological zonation and distribution of significant palynofossils in the subsurface paleogene sequence of Broach depression in South Cambay Basin.	253
3.1 Palynostratigraphic correlation and cumulative per- centage of floral eco-assemblage of Paleogene sequence in Gandhar-Pakhajan-Dahej area Broach depression, South Cambay Basin.	263

3.2	Palynostratigraphic correlation and cumulative percentage of floral eco-assemblages of Paleogene sequence in Gandhar-Pakhajan-Dahej area, Broach Depression, South Cambay Basin.	264
3.3	Palynostratigraphic correlation of Paleogene sequence in Gandhar-Pakhajan-Dahej area, Broach depression in South Cambay Basin.	265

## LIST OF PLATES

### Plate No.

1 to 31	Microphotographs of Palynomorphs.	314
