

ACKNOWLEDGEMENTS

Many people have helped in completing this research whose contribution needs to have a special mention in my acknowledgement.

I would like to express my sincere gratitude to my guide Prof. (Dr.) Anjali Karolia, Professor and Head, Department of Clothing and Textiles, Faculty of Family and Community Sciences, The Maharaja Sayajirao University of Baroda, for her patience, advice, immense knowledge and guidance from the conception of this research work. I am thankful for her constant encouragement and support.

My sincere thanks to Dr. Madhu Sharan, Associate Professor and In-charge Head, Department of Clothing and Textiles, Faculty of Family and Community Sciences, The Maharaja Sayajirao University of Baroda for being considerate wherever and whenever required. I am thankful to her for all co-operation and support.

Heartfelt thanks to Mr. Pinakin Patel, Head, Weaving Department and Mr. Pranay Mehta, Head, Knitting Department, Arvind Mills, Ahmedabad for sponsoring the fabrics for the study.

I am grateful to Prof. (Dr.) S.S. Bhattacharya, Professor and Former Head, Department of Textile Engineering, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for permitting me to conduct various tests whenever required.

Special thanks to Dr. P.C. Patel, In-charge Head, Dr. Hireni Mankodi and Dr. Tasneembanu Shaikh, Associate Professors, Department of Textile Engineering, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for providing me guidance and help during testing of fabrics.

I am also thankful to Mr. Badresh Shah and Mr. Dilip Solanki, Department of Textile Engineering, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for extending their facilities for executing the tensile strength, crease recovery, seam strength and air permeability tests in their laboratory.

Mr. Laxman K. Acharya of Deepa Enterprise, Vadodara needs special thanks for construction of garments.

A special thanks to Dr. Rajni Yadav, my colleague, Department of Clothing and Textiles, The Maharaja Sayajirao University of Baroda for her always readiness to help whenever required.

I also thank my enthusiastic T.Y. Students, Jhanvi Barge, Priyanka Agrawal, Rupal Modi and Puja Agrawal for test fit and modeling for the garments.

A special thanks to Mr. Anuj Bhargava, for typing and composing my thesis with timeless efforts.

My family members deserve special mention for their patience, encouragement, support and devotion when I was at work. Thank you all for everything.

Hemlata N. Raval
