

## **Contents**

	<b>Page No.</b>
<b>1. Chapter 1</b>	
A brief overview of polymerisation in microemulsion medium.	1
<b>2. Chapter 2</b>	
Experimental.	37
<b>3. Chapter 3</b>	
Kinetics.	46
<b>4. Chapter 4</b>	
Reactivities of monomers	108
<b>5. Chapter 5</b>	
Drug encapsulation in polymeric nanoparticles.	132
<b>6. Chapter 6</b>	
Summary and Conclusions.	143
