

❖ Poster presentation

- **Tanvi Khanna**, *Pushpa Robin, Isolation and partial characterization of phytocomponents from *Bauhinia variegata* L. Bark extract and its effect on A549 cell line at XXXIX All India Cell Biology Conference on Cellular Organization and Dynamics, at IISER, Thiruvananthapuram, Kerala, 2015
- Sejal Purani, **Tanvi Khanna** and *Pushpa Robin, Evaluating *Bauhinia variegata* L. extracts for its anti-cancer properties at 'National Symposium on Current Research in Cancer Biology and Therapy', at School of Biological Science and Biotechnology, University and Institute of Advance Research, Gandhinagar, 2016.

Conferences:

1. International Conference on Emerging Trends in Biological Sciences (ICETBS 2022), P.D. Patel Institute of Applied Sciences, CHARUSAT, 9th – 11th January 2022.
2. Attended Science CONCLAVE 2020, Celebrating National Science Day on 28th Feb, 2020.
3. Attended Symposium "Trends in Biochemistry and Inauguration of Prof. L.J. Parekh memorial series" held at The M.S. University of Baroda on 27th and 28th September 2019. (Chief guest – Noble Laureate Prof. Ada Yonath)
4. Attended one day workshop on "BIOLOGICAL APPLICATIONS OF MAGNETIC NANOPARTICLES" on 27th march, 2019 at The M.S. University of Baroda.
5. International Seminar on "Recent Advances in Cancer and Cell Biology", 6th January 2018, Department of Microbiology and Biotechnology Centre, MSU, Vadodara.
6. National Symposium on "Omics, to Structural Basis of Diseases", September 30-October 1, 2016, Department of Biochemistry, Faculty of Science, MSU, Vadodara.

Date: 10-05-2022

Place: Vadodara
