

LIST OF TABLE

Legends	Page No
Table 5.1- No. Of Cusp Of Right Atrioventricular Valve	79
Table 5.2- Shape of Anterosuperior, Septal And Inferior Cusps	82
Table 5.3 -No of Papillary Muscle Attached to Cusp	84
Table 5.4 -No of Cleft Present on the cusp	85
Table 5.5-No of Scallops on Cusp	86
Table 5.6- Length Of Cusps Of Tricuspid Valve	87
Table 5.7-Width Of Cusps Of Tricuspid Valve	88
Table 5.8 - Annular Circumference Of Tricuspid Valve	89
Table 5.9 -Anatomy of Bicuspid Valve	90
Table5.10 - Shape Of Cusps Of Bicuspid Valve	92
Table 5.11 - Papillary muscle attached to Anteromedial Cusp	94
Table-5.12- No Of Cleft Present on The Cusp	95
Table-5.13- No Of Scallops On Cusp	96
Table 5.14-Length of Cusp of Valve	98
Table 5.15 - Width Of The Cusps Of Bicuspid Valve	99
Table 5.16- Annular Circumference Of Valve	100
Table.5.17- Distribution of Aortic Valve	100
Table 5.18- Position Of Ostium (Figure 5.10,5.11 & 5.12)	101
Table 5.19- Length Of Cusp	104
Table 5.20- Width Of Cusp	105
Table 5.21- Annular Circumference	105
Table 5.22 Distance Of Ostium	106
Table 5.23- Distribution Of Pulmonary Valve	107
Table 5.24- Length Of Cusps	108
Table 5.25 - Width Of Cusps	109
Table5.26 - Annular Circumference Of Valve	109
Table 5.27- Distribution Of Papillary Muscle	110
Table 5.28 - Length of Papillary Muscle	112
Table 5.29- Distribution Of Papillary Muscle According To Shape	113
Table 5.30-Shape of Tip of Right And Left papillary muscle	115
Table 5.31 - Pattern of Papillary Muscle	117
Table 5.32-Distribution Of Thebesian Valve	121
Table 5.33- Length Of Coronary Sinus	122
Table 5.34- Distribution Of Valve	123
Table 5.35- Shape Of Thebesian Vavle	124
Table 5.36- Composition Of Thebesian Valve	126
Table 5.37 - Distribution Of Eustachian Valve	128
Table 5.38 -Type of Eustachian Valve	129
Table 5.39-Association with Chiari Network	130
Table 5.40- Distribution Of Chiari Network	131
Table 5.41- Morphological Variables Of Chiari Network	132
Table 5.42 - Distribution Of Left Venous Valve Remnant	134
Table 5.43-Types Of Left Venous Valve Remant	135
Table 5.44 -Association Of Left Venous Valve Remnant With Chiari Network	136

Table 6.1 - Frequency of Number of Tricuspid Leaflets	140
Table 6.2 - Shape Of Tricuspid Valve	142
Table 6.3 - Cleft & Scallops Present On Cusps Of Tricuspid Valve	143
Table 6.4- Annular Circumference Of Tricuspid Valve	144
Table 6.5 - Length of Cusps of Tricuspid Valve	145
Table 6.6- Width of Cusps of Tricuspid Valve	146
Table 6.7 - Frequency of Number of Bicuspid Leaflets	147
Table 6.8- Shape Of Cusp Of Bicuspid Valve	147
Table 6.9 - Cleft & Scallops Present In Cusp Of Bicuspid Valve	147
Table 6.10 - Annular Circumference Of Bicuspid Valve	148
Table 6.11 - Length Of Bicuspid Valve	148
Table 6.12- Width Of Bicuspid Valve	149
Table 6.13 - Location of the coronary ostia in the aortic sinus with respect to the sinotubular ridge	150
Table 6.14 - Length Of Cusp Of Aortic Valve	151
Table 6.15- Width Of Cusp Of Aortic Valve	151
Table 6.16- Annular Circumference Of Valve	152
Table 6.17- Distance Between Coronary Ostium And Commissure Of Cusp	152
Table 6.18- Length Of Cusps of Pulmonary Valve	153
Table 6.19- Annular Circumference of Pulmonary Valve	153
Table 6.20- Number of Papillary Muscles	155
Table 6.21 - Length Of Papillary Muscle	156
Table 6.22 - Shape of Papillary Muscles	157
Table 6.23- Pattern Of Papillary Muscle	159
Table 6.24- Presence Of Thebesian Valve	160
Table 6.25- Length Of Coronary Sinus	161
Table 6.26- Shape Of Thebesian Valve	161
Table 6.27- Composition Of Thebesian Valve	162
Table 6.28- Type Of Thebesian Valve	162
Table 6.29- Prevalence Of Chiari Network	164
Table 6.30 - Prevalence Of Left Venous Valve Remnant	165
Table 6.31- Morphology Of Left Venous Valve Remnant	166
