

# Acknowledgement

*I thank and acknowledge all the enrolled participants in this study, who willingly consented to participate and shared their valuable traditional knowledge to the scientific community. All respondents enrolled for the clinical study were very kind and cooperative from initial enrollment to all follow-ups. I am extremely thankful to all of them.*

*I express wholehearted gratitude to my PhD guide, Prof. Susy Albert, for her guidance and scientific inputs for shaping this work. I am thankful to my co-guide Prof. Sirimavo Nair for her help throughout Human studies. Her expertise in the field helped me refine my study. My co-guide Prof. B. Suresh was always motivating and guiding me throughout my research work. I am extremely thankful to you sir, for your help in Animal studies, and everything.*

*This study would not have been possible without help from all Doctors, their staff and Anganwadi ASHA worker sisters. I am thankful for all help to Dr. Bhartiben Savani, Dr. Nikunj Prajapati, Dr. Sameer Chaudhary and Dr. Harsh Dasondi for their valuable time and permission to access the clinic. I express my gratitude to Dr. Devkar, and his lab for helping with animal experiments. I thank Dr. Nagar and his lab for helping with phytochemical experiments.*

*I am thankful to all administrators of the Department, Faculty and the University. Special thanks to Prof. Haribhai Kataria (Dean) and Prof. NSR Krishnayya (Head) for their motivation, support, and facilitation. All my colleagues at the department were kind and helpful throughout my research. Thank you all.*

*I express my special gratitude to my colleague Ravinayak Patlavath, a friend and more a companion. I thank Prof. Sunil Kumar Singh for guiding and helping throughout. My colleagues Rakesh, Ketan, Divyesh, Kiran and Kartik Raval need special mention.*

*Further, I would like to thank all my teachers. Prof. N. Angyarkanni and Dr. Nivedita Chatterjee, am thanking you for shaping my scientific temper. My students Hemangini Rathod, Krishna, Kajol, Bhavesh, Sakshi, Maya, Charmi, Fayaz and Bhavin are also acknowledged.*

*Thanking all my friends, Dr. Pranav Buch, Dr. Nirja Chaudhary, Dr. Jitendra Gosai, Dr. Sonam Patel, Dr. Saravanan, Dr. Sivasankar, Dr. Kaviarasan, Dr. Anandbabu, Dr. Srijana, Dr. Laxmi, Jithu Mohanlal, Sanket Sagar and Parth Lokwani for their trust in me.*

*I thank and salute my parents, Mr. Dhirubhai and Mrs. Harshaben for their moral support and faith. I dedicate this work to them, my lifeline. I also thank all my family members. I thank my faith, Shri Krishna, for everything.*

*I acknowledge Research and Consultancy Cell, The Maharaja Sayajirao University of Baroda for financial support.*
