

DECLARATION BY THE CANDIDATE

I, **Ms. Vaishali Apurva Adhwaryu**, solemnly declare that the research work presented in the thesis entitled “**Study of Li^+ , Na^+ and Ag^+ ion conductivity and relaxation mechanism in Boro-Phosphate Glass system**” is the result of my own investigations conducted under the guidance of Prof. D. K. Kanchan (Retired) at the Department of Physics, The Maharaja Sayajirao University of Baroda, Vadodara.

I further declare that the results incorporated in this thesis have not been previously submitted to any other university or institute for the purpose of obtaining any degree or qualification.

I understand that any form of plagiarism or academic dishonesty is strictly prohibited and that any violation of these principles may result in severe consequences, including the revocation of my degree.
