

ACKNOWLEDGEMENTS

I would like to acknowledge my indebtedness to Dr. M. Daniel, M.Sc., Ph.D., Reader, Department of Botany, M.S. University of Baroda, for his encouragement, inspiration, guidance, and whole hearted co-operation during the course of this work.

I would also like to express my gratitude to Prof. S.D. Sabnis, M.Sc., Ph.D., Dip. Museo., Dean, Faculty of Science and Head, Department of Botany, M.S. University of Baroda, for his keen interest and valuable suggestions rendered during the present study.

My thanks are also due to Prof. A.R. Mehta, M.Sc., Ph.D., Ex. Head, Department of Botany for providing all the facilities to carryout this work.

I am grateful to The Commissioner, Food & Drugs Control Administration, Gujarat State, and Jt. Commissioner (Testing) Food & Drugs Laboratory, Baroda, for granting me permission to do this work.

I express my gratitude to all labmates, especially Miss. Umadevi, for all their co-operation and valuable help rendered during the present investigation.

Special thanks are also due to Shri. P.J. Jose, for his excellent typing of the manuscript.

PJ Thomas.
