## ACKNOWLEDGEMENT

*This thesis is the end product of my research journey. The success and failure are the two steps in every path of research journey but at the end it get successfully completed. This was because of the combined efforts of many people who encourage and supported me at every stage of my Ph.D. Therefore I would like to thank and show my sincere gratitude towards them.*

*First of all I would like to thank almighty for giving me the energy, power and patience to carry out my work with full enthusiasm. It was the faith in god which gave me strength to face any difficulties and overcome all the problems to accomplish my goal.*

*I would like to express my sincere and deep gratitude to my guide **Prof. Aruna G. Joshi** for giving me guidance, direction and encouragement from the beginning to end of my research. Without her support the research could have been impossible. She deserves a special thanks as she kept me motivating and provide a positive attitude at each step. She also encourage me to take parts in seminars and conferences and allowed to present my research work.*

*I sincerely thank **Prof. Sandhya Garge** Head of the department for encouraging and giving support for the completion of my work. She provided all the facilities needed during my research. She gave the inspiration that women are not less than men and can achieve high goals in life. I am also thankful to **Prof. Arun Arya** the Ex - Head of the Department for motivating and supporting me during Ph.D and providing me the necessary facilities in the Department.*

*I am also thankful to **Prof. V.M.Raole** and **Dr. P.S.Nagar** for their support.*

*My Thanks are also to **Mr. G.M. Naik** Chief conservator of Forests Rajpipla Division for providing me seeds and saplings of the tree species taken up for the present study. I am also thankful to **Mr. Thakur** in helping me for the same.*

*I greatly acknowledge UGC New Delhi for providing financial support as Junior Research Fellow under the Major Research Project on *Stereospermum suaveolens*.*

*My sincere thanks to my Labmates Mrs. Archana Shrivastava, Mr. Ashutosh Pathak, Mr. Gaurang Kale and Ms. Swati Patel for their constant support during the Ph.D. It was a great pleasure working together with them.*

*I would also like to thank all the teaching and non-teaching staffs for their help and cooperation. I am thankful to the Botanical Garden staff for taking care of my plants. I am also thankful to Girishbhai for washing my glasswares for three years.*

*My heartfelt thanks to my friends; Shreestuti Khare, Usha Joshi, Vallabhi Ghorecha and Ashwini Mudaliar for their constant moral support, motivating and encouraging me at every stage. I appreciate their help and support in every situation.*

*My family deserves a special thanks for their extraordinary support. I am thankful to my late Father Mr. Rohitkumar G. Trivedi who is always in my heart, his love and care for me, his teaching I still remember which gave me strength in my research studies. My special thanks to my Mother, Mrs. Ashwina R. Trivedi and I take this opportunity to express my deep sense of gratitude towards her. She kept motivating me and stood by me as a strong pillar giving me support, guidance and strength. Words are less for her to express my gratitude. I owe her a lot for the sacrifices she made with a smiling face during my studies and salute for her never ending patience. This degree would be impossible without her cooperation. I also thank my sisters Avani Trivedi, Snehal Trivedi for their support and cooperation. They also keep me motivating and helpful at every stage of my research. I am thankful to my sister's husband (brother in law) Jayswat Trivedi for his caring and supportive nature.*

*Furthermore, I would like to thank everybody whom I might have missed to mention by name, who helped directly or indirectly and cooperated me a lot in completion of my Ph.D research work as well as expressing my apology that I could not mention personally one by one.*
