
List of Publications and Presentations

Presentations:

1. Ahire, V.J., and Sawant, K.K., "Development and application of Rocket Electrophoresis technique in Preformulation studies of Tetanus Vaccine formulation", Scientific Oral Presentation-Pharmaceutical Technology, 55th Indian Pharmaceutical Congress, Chennai, Dec-2003
2. Ahire, V.J., Doshi, J.B., Ravetkar, S.D., and Sawant K.K., Chitosan Microparticles as Oral Vaccine Delivery System: Mucosal and Systemic Immunity Studies In Mice", National Symposium on Exploring Nanotechnology in Drug Delivery, TIFAC-CORE in NDDS, Pharmacy Department, The M.S. University of Baroda, 29th- 30th July, 2005.

Publications:

1. Ahire, V.J., and Sawant, K.K., "Development of Rocket Electrophoresis technique as an analytical tool in Preformulation study of Tetanus toxoid", Drug Development and Industrial Pharmacy (Manuscript submitted)
2. Ahire, V.J., Doshi, J.B., Ravetkar, S.D., and Sawant K.K., "Chitosan Microparticles as Oral Delivery System for Tetanus Toxoid : Mucosal and Systemic Immunity Studies In Mice", Vaccine (Manuscript Submitted)
3. Ahire, V.J., Doshi, J.B., Ravetkar, S.D., and Sawant K.K., "Chitosan based Oral Delivery System for Diphtheria Toxoid", Pharmaceutical Research (Manuscript Submitted)
4. Ahire, V.J., Doshi, J.B., Ravetkar, S.D., and Sawant K.K., "Preparation, Optimization and Evaluation of Chitosan based Oral Vaccine delivery system For Tetanus toxoid", Journal of Controlled Release (Manuscript Submitted)
