

ACKNOWLEDGEMENTS

I have been greatly indebted to the managers and owners of the newspaper establishments, and to librarians of the leading libraries in Gujarat, for permitting perusal of newspaper files. I also put on record my obligation to the persons who helped me by giving useful information during informal interviews. I owe a deep sense of gratitude to my guide, Professor I.P. Desai, whose advice from time to time has been of immense value to me.

R.D. PARIKH.
