

## A C K N O W L E D G E M E N T S

Dr. O.D. Gulati, M.D.; M.S. (Colorado), Dean of the Medical College and Senior Professor and Head of the Department of Pharmacology, who suggested this problem, rendered guidance at every step and inspired me for devotion to research.

Dr. P.N. Patil, Ph.D. (Pharmacology), Associate Professor, Department of Pharmacology, Pharmacy College, Ohio State University, Columbus, Ohio (U.S.A.) and Dr. H.M. Parikh, M.D. (Pharmacology) have rendered extremely valuable suggestions and critically examined this manuscript during its preparation.

The Medical College, Baroda within the portals of which this work was done, was an inspiration for the perseverance to complete this work. This work was assisted by adequate grants from the Council of Scientific & Industrial Research, New Delhi.

I take this opportunity to extend my thanks to Mr. B.C. Patel and Mr. N.J. Rana for their labour done for typing the manuscript in a limited time.

I whole-heartedly extend thanks to all my colleagues in the Department of Pharmacology for co-operation and good-will. I do recall the laboratory animals sacrificed for the completion of this work,
