

Appendix II

SOCIO ECONOMIC PROFILE

1	Area code	:	
2	Name of pregnant woman	:	
3	Address	:	
4	Mother code number	:	
5	Date of interview	:	
6	Name of investigator	:	
7	Family composition	:	Can you list the members
		:	of your family who are
		:	normally living and eating
		:	with you?

No	Name	:Relation:	Sex	:Date of:	Age	:Preg.:
		:to the	: M/F	:birth	: Yrs/	:woman:
		:head	:	:	:	:

:	:	:	:	:	:	:
:	:	:	:	:	:	:
:	:	:	:	:	:	:
:	:	:	:	:	:	:

Derive later	:	
Family size	:	
Family type	:	1. Joint, 2. Nuclear
No. of children	:	1 y
	:	1 - 3 y
	:	3 - 6 y

8 Educational level of the couple -

Educational Level	:	Wife	:	Husband
-------------------	---	------	---	---------

Code	:		:	
1) Illiterate	:		:	
2) Can read and write but has not studied upto primary level	:		:	
3) Primary : 1- 7th	:		:	
4) Secondary : 8-10th	:		:	
5) Higher Secondary : 11-12th	:		:	
6) Intermediate (incomplete college education)	:		:	
7) Graduate and above	:		:	

Appendix II (contd..)

- 9 Total number of years of education _____
 10 Occupation -

Occupation	:	Wife	:	Husband
Code	:		:	
1) Unskilled labour	:		:	
2) Skilled labour	:		:	
3) Service	:		:	
4) Petty trade	:		:	
5) Self-employed	:		:	
6) Housewife	:		:	
7) Any other	:		:	
(specify)	:		:	

- 11 What is the average monthly income of your family
 (in Rupees) from all sources?

Name of the Member	:	Source of Income	:	Income/Month
	:		:	(Rs.)
1)	:		:	
2)	:		:	
3)	:		:	
4)	:		:	
Total	:		:	

Derive later : Per capita monthly income by dividing
 Total income by total no. of family members and code
 Rs. _____

Note:

If the income is used collectively,

- 12 Ask if the woman has powers : Yes
 to decide where to spend it? : No

If the woman is working outside home,

- 13 No. of hours of work :
 13a Type of work (job) : Light
 : Moderate
 : Heavy
 13b Type of work at home :
 14 What is your religion : Hindu
 : Christian
 : Muslim
 : Other (specify)

* Based on definitions by WHO (1985).

Appendix II (contd..)

- 15 Construction of respondent's house : Hut
: Kutcha house
: Semi-Pucca
: Pucca house
- 16 Source of drinking water : Individual tap
: Common tap/standpost
: Hand-pump
: Any other (specify)
- Derive later : Safe
: Unsafe

(Chlorinated Municipal and bore-well water is safe)

- 17 Toilet facility : Individual toilet
: Public toilet
: Open defecation
: Any other (specify)
- 18 Environmental sanitation -
- | | | | | | |
|--|-------|-----|---|----|---|
| a) House swept | | Yes | 1 | No | 0 |
| b) Infant defecation inside the house | | Yes | 0 | No | 1 |
| c) Flies inside the house | | Yes | 0 | No | 1 |
| d) Garbage disposal | | Yes | 0 | No | 1 |
| e) Open defecation | | Yes | 0 | No | 1 |
| f) Flies outside the house | | | | | |
| g) Stagnant pool of water just outside the house | | Yes | 0 | No | 1 |

Derive later and code -

- 1) Very good : Score of 7
- 2) Good : Score of 5
: Swept house
: Garbage disposal satisfactory
: No infant defecation inside house
: No open defecation
: No stagnant pool of water
- 3) Average : Score of 4
: Swept house
: No infant defecation
: No open defecation
: No garbage disposal
- 4) Poor : Score of 0-3
-
