

Acknowledgements

I avail this opportunity to render my deep sense of gratitude to my research supervisor Dr. N. D. Kulkarni, Senior Reader, Department of Chemistry, Faculty of Science, The M.S. University of Baroda, Vadodara, for her guidance and persistent encouragement throughout the course of the research work. I record with pleasure her stimulant contribution and perfect direction during the entire course of investigations.

I am thankful to Prof. Surekha Devi, Head, Department of Chemistry, Prof. A.V. Ramachandran, Dean, Faculty of Science, The M.S. University of Baroda, for providing me the necessary facilities available in the department.

I also offer my sincere thanks to Prof. (retired) P. K. Bhattacharya, Prof. (retired) H.S. Rama, Prof. B.V. Kamath, Dr. Sailesh Shah, Dr. Sujit Baran, Mr. A.A. Ajmeri and senior teachers of the Department for their kind encouragement.

I am thankful to late Dr. S. S. Madhav Rao for timely elemental analysis and IR spectra. I am also thankful to Mr. Hitesh Raval for recording electronic spectra of the complexes.

I am thankful to Prof. Anjana Desai and Mr. Arif Khan, Department of Microbiology and Biotechnology Center, Faculty of Science, The M. S. University of Baroda, for their help in antibacterial study of the complexes.

I am very thankful to Dr. K.P. Madhusudanan, Dy. Director and Head RSIC, CDRI, Lucknow for providing the mass spectral facility.

I take the privilege to thank the Director, SAIF, IIT Pawai, for providing the ESR spectra of the complexes.

My sincere thanks are also due to Dr. D. Srinivas, Sr. Scientist, NCL, Pune, for recording ESR spectra of some of the complexes.

I am indebted to Dr. K.L. Yadav, Assistant Professor, Department of Physics, IIT Roorkee, for TGA facility and to my friend Dr. Mukesh Kumar Yadav, R & D centre, Reliance Industries Ltd. Hazira manufacturing unit, Surt, for TGA, ¹H NMR and FTIR analysis.

I am grateful to Dr. R. R. Yadav, Reader, Govt. P. G. College Musafirkhana, Sultanpur, whose teaching in the B.Sc. classes made me interested in chemistry.

I am thankful to my research colleagues Mr. Sachin A. Joshi and Mr. Niken Desai for their cooperation and pleasant company.

Thanks are also due to my friends, Dr. Vikas Sharma, Dr. Mahendra Borse, Mr. K. S. Kumar, Mr. Nikunj Bhatt, Mr. Pankaj Sharma, Mr. Vijay Rana and Mr. Manish Jayswal who made me feel very easy and cooperated with me during the early periods of my research work.

The financial support obtained as a fellowship from the Department of Science and Technology (DST), New Delhi is acknowledged gratefully.

And above all, the blessings of all Yadav family members, especially my elder sister Mrs. Gaytri and younger sister Mrs. Savitri and Jijaji, Mr. Tej Pratap Yadav, Mr. Ramesh Kumar Yadav, my fufaji Mr. Rajendra Prasad Yadav, my mamaji Mr. J. P. Yadav, Dr. O. P. Yadav and my nanaji Mr. Mohan Prasad Yadav who strengthened my determination to achieve my goal.

Ran Bahadur
