

LIST OF TABLES

	No.	Name	Page No.
Table	1.1	Research output of PRL during 1997-2006	66
Table	1.2	Authorship Pattern in Journals during 1997-2006	68
Table	1.3	Authorship Pattern in Conference Proceedings during 1997-2006	69
Table	1.4	Year wise Authorship Pattern in Journals from 1997-2006	70
Table	1.5	Year wise Authorship Pattern in Conf. Procs. from 1997-2006	72
Table	1.6	Types of Collaborative Papers in Journals during 1997-2006	73
Table	1.7	Types of Collaborative Papers in Conf. Procs. during 1997-2006	74
Table	1.8	Year wise Collaboration Pattern in Journals from 1997-2006	75
Table	1.9	Year wise Collaboration Pattern in Conf. Proc. from 1997-2006	77
Table	1.10	Publication Mode Preference during 1997 – 2006	78
Table	1.11	Year wise Pattern of Publication Mode from 1997-2006	80
Table	1.12	Papers in Conference Proceedings – Natl./Intl. during 1997-2006	81
Table	1.13	Year wise Pattern of Papers in Conference Proceedings from 1997-2006	82
Table	1.14	Invited Talks delivered – National / International during 1997-2006	83
Table	1.15	Year wise Pattern of Invited Talks – Natl./Intl. – from 1997 to 2006	84
Table	1.16	Most preferred Journals for Publication during 1997-2006	86
Table	2.1	Division wise break up of Papers in Journals during 1997-2006	91
Table	2.2	Year wise pattern of Papers Published in Journals from 1997-2006	92
Table	2.3	Division wise break up of Papers in Conf. Procs. during 1997-2006	94
Table	2.4	Year wise pattern of Papers in Conference Proceedings from 1997-2006	95
Table	2.5	Division wise break up of Invited Talks delivered during 1997-2006	96
Table	2.6	Year wise pattern of Invited Talks delivered during 1997-2006	98
Table	2.7	Number of papers under broad subjects of PACS	101
Table	2.8	Number of papers under <i>General Physics</i>	102
Table	2.9	Number of papers under <i>Physics of Elementary Particles and Fields</i>	103
Table	2.10	Number of papers under <i>Nuclear Physics</i>	104

	No.	Name	Page No.
Table	2.11	Number of papers under <i>Atomic and Molecular Physics</i>	105
Table	2.12	Number of papers under <i>Electromagnetism, Optics, Acoustics and Fluid</i>	106
Table	2.13	Number of papers under <i>Physics of Gases, Plasmas</i>	107
Table	2.14	Number of papers under <i>Condensed Matter</i>	108
Table	2.15	Number of papers under <i>Interdisciplinary Physics</i>	109
Table	2.16	Number of papers under <i>Geophysics, Astronomy and Astrophysics</i>	110
Table	2.17	Number of papers under <i>Solid Earth Physics</i>	111
Table	2.18	Number of papers in under <i>Hydrospheric and Atmospheric Geophysics</i>	112
Table	2.19	Number of papers under <i>Geophysical Observations, Instrumentation</i>	112
Table	2.20	Number of papers under <i>Ionosphere and Magnetosphere</i>	113
Table	2.21	Number of papers under <i>Fundamental Astronomy and Astrophysics</i>	113
Table	2.22	Number of papers under <i>Solar System</i>	114
Table	2.23	Number of papers under the topic of <i>Stars</i>	114
Table	2.24	Number of papers under <i>Stellar Systems, Interstellar Medium and Universe</i>	115
Table	2.25	Consolidated list of most active research topics during 1997 - 2006	116
Table	2.26	Most prolific researchers - papers in journals during 1997 - 2006	118
Table	2.27	Most prolific researchers – papers in Conf. Procs. during 1997 – 2006	119
Table	2.28	Most prolific researchers – Invited talks delivered during 1997 - 2006	120
Table	2.29	Consolidated list of most prolific researchers during 1997-2006	122
Table	2.30	Non-conformation of Lotka's Law	124
Table	3.1	Citations per thesis in pre-ejournal and ejournal periods	130
Table	3.2	Use of documents : Electronic vs. Print during 1997-2000	131
Table	3.3	Use of documents : Electronic vs. Print during 2001-2006	132
Table	3.4	Use of different types of documents during 1997-2000	134
Table	3.5	Use of different types of documents during 2001-06	135
Table	3.6	Use of journals – Non-Subscribed vs. Subscribed during 1997-2000	137
Table	3.7	Use of Journals - Non-Subscribed vs. Subscribed during 2001-2006	139

	No.	Name	Page No.
Table	3.8	Use of ‘Other documents’ during 1997 – 2000	141
Table	3.9	Use of ‘Other documents’ during 2001 – 2006	142
Table	3.10	Division wise break up of theses citations during 1997 - 2006	144
Table	3.11	Division wise break up of Core Journal Group citations	145
Table	3.12	Top 10 cited journals in Astronomy during 1997 – 2006	147
Table	3.13	Top 10 cited journals in Geosciences during 1997 – 2006	148
Table	3.14	Top 10 cited journals in Space Science during 1997 – 2006	149
Table	3.15	Top 10 cited journals in Theoretical Physics during 1997 - 2006	150
Table	3.16	Division wise break up of PRL citations	151
