

### ACKNOWLEDGEMENTS

I am greatly indebted to Dr. G.Prathapasenan, Reader, Department of Botany, The Maharaja Sayajirao University of Baroda, Baroda for his valuable guidance and constant encouragement throughout the period of this investigation.

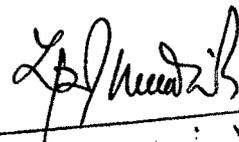

My sincere thanks are due to Prof.A.R.Mehta, Head, Department of Botany who had been a great source of encouragement and help.

I wish to express my thanks to Prof.S.D.Sabnis, Prof.R.P. Bhatt and Dr.P.N.Bhatt for their help and good wishes extended to me.

My thanks are also due to Mr.Ajay, Dept.of Biochemistry, The Maharaja Sayajirao University of Baroda for GC analysis of hormones and Mr.Sisodia, Gujarat Industrial Research and Development Agency, Baroda for the analysis of inorganic ions.

I take this opportunity to express my sincere gratitude to my mother for her encouragement and financial assistance. The award of research fellowship by University Grants Commission, New Delhi is also gratefully acknowledged. The help rendered by my colleagues and friends during the tenure of this work is greatly appreciated.

Finally I place on record my thanks to Mrs. Titus for the excellent work in typing out this thesis.

PRAKASH, L.
