

LIST OF TABLES

Table	Page-s
1. Average Reliability Coefficients for the Differential Aptitude Tests.....	49
2. Sale of Indian Editions of DAT booklets (Form A).....	62
3. Schoolwise Sample for the 4 non-verbal tests MR, AR, SR and NA.....	90
4. Item Analysis Sample for 3 Non-verbal Tests VR, LU-sp and LU-gr.....	91
5. Items of NA in Revised Order of Difficulty...	94
6. Items of SR in Revised Order of Difficulty...	95
7. Items of AR in Revised Order of Difficulty...	96
8. Diff. and Disc. Indices of eight (four Pairs of) MR Items.....	97
9. Items of MR in Revised Order of Difficulty...	98
10. Number of Items finally retained in the 3 Verbal Tests and the Range and Median of the Diff. and Disc. Indices.....	102
11. Diff. and Disc. Indices of finally selected 50 Items of Verbal Reasoning Test.....	103-105
12. Diff. and Disc. Indices of finally selected 100 Items of Language Usage-spelling Test...	106-109
13. Diff. and Disc. Indices of finally selected 60 Items of Language Usage-grammar Test...	110-112
14. Original and Revised Time Limits.....	116
15. No. of Items and the Revised Time Limits of the various Tests in Revised DAT battery..	120

Table	Page-s
16. Age Grade Distribution of Pupils in Schools in the Second Administration.....	127
17. Age Distribution of Class IX pupils of Delhi Higher Secondary Schools (1962).....	131
18. Age-wise Distribution of Pupils of Class IX (boys) in Rounded Percentages.....	132
19. Final Distribution of the Sample of the Second Administration by Age for Tests.....	133
20. Number of Students from each school for each test	133
21. Descriptive Statistics for the Revised DAT Battery.....	135
22. Inter-correlation between Various Tests....	142
23. Proportion of Differences in Excess of Chance Proportion (Expressed as percentages)..	144
24. Descriptive Statistics and Split-Half Reliability Results for Tests.....	147
25. KR-21 Reliability of the tests under adaptation.	153
26. Comparison of the Present Reliability Results with the Results on the Original Tests...	155
27. Reliabilities of Some important Multi-factor Test Batteries.....	156
28. Reliability Results on Verma's Differential Prediction Battery.....	157
29. Schoolwise break up of the Validity Sample..	165
30. Schoolwise Correlation Coefficients of Scores in Verbal Reasoning with School Subjects....	169
31. Schoolwise Correlation Coefficients of Scores in Abstract Reasoning with School Subjects..	170
32. Schoolwise Correlation Coefficients of Scores in Mechanical Reasoning with School Subjects...	171

Table	Page-s
33. Schoolwise Correlation Coefficients of Scores in Space Relations with School Subjects.....	172
34. Schoolwise Correlation Coefficients of Scores in Clerical Speed and Accuracy with School Subjects.....	173
35. Schoolwise Correlation Coefficients of Scores in Numerical Ability with School Subjects..	174
36. Schoolwise Correlation Coefficients of Scores in Language Usage - spelling with School Subjects.....	175
37. Schoolwise Correlation Coefficients of Scores in Language Usage - grammer with School Subjects.....	176
38. Average Validity Coefficients between various Tests and Marks in School Subjects.....	178-179
39. Validity Coefficients between Tests and Examination Marks in English.....	181
40. Validity Coefficients between Tests and Examination Marks in Mathematics.....	181
41. Validity Coefficients between Tests and Examination Marks in Physics.....	182
42. Validity Coefficients between Tests and Examination Marks in Chemistry.....	182
43. Validity Coefficients between Tests and Examination Marks in Biology.....	183
44. Validity Coefficients between Tests and Examination Marks in Drawing.....	183
45. Validity Coefficients between Tests and Examination Marks in Hindi.....	184
46. Validity Coefficients between Tests and Examination Marks in Economics.....	184

Table	Page-s
47. Validity Coefficients between Tests and Examination Marks in Commerce.....	185
48. Validity Coefficients between Tests and Examination Marks in History.....	185
49. Validity Coefficients between Tests and Examination Marks in Civics.....	186
50. Validity Coefficients between Tests and Aggregate Examination Marks.....	186
51. Compulsory and Optional Subjects in Delhi Higher Secondary Schools included in the Sample.....	192
52. Number of Students for a School showing Significant Validity Coefficients.....	193-194
53. Significant Correlations between Tests and Subjects Schoolwise and Averaged.....	197

APPENDIX B. CONTD.

Frequency Distribution of Scores for

1. VERBAL REASONING Test.....	305
2. ABSTRACT REASONING Test.....	306
3. SPACE RELATIONS Test.....	307
4. MECHANICAL REASONING Test.....	308
5. CLERICAL SPEED AND ACCURACY Test.....	309
6. NUMERICAL ABILITY Test.....	310
7. LANGUAGE USAGE-SP Test.....	311
8. LANGUAGE USAGE-GR Test.....	312

Erratum--- In the above list and in the actual Tables, the titles "Schoolwise Correlation Coefficients of Scores in (a test) with..." should be read as "Schoolwise Correlation Coefficients between Scores in (a test) and School Subjects."
