

Acknowledgment

I begin this work in the name of God, the most merciful and the most beneficent and without His grace and mercy this work was not possible. Further I kneel before Almighty God to thank Him for the kindness He has shown to His humble slave.

I am obliged to all the authors and scholars whose books and studies are listed in the works cited for their helpful remarks which comprise the literature review of my thesis. I would also like to express my thanks and gratitude to my able supervisor **Dr. Anwar Ali Ansari** for his valuable remarks and suggestions which contributed significantly to enriching my thesis both in form and content. **Dr. A. A. Ansari** has spared no efforts in revising my thesis line by line modifying and correcting my slips and inadequacies. His support and encouragement went far beyond those of a supervisor to those of a close dear friend. I would also like to extend my thanks to all the teaching and administrative staff in the Department of Geography in the Maharaja Sayajirao University of Baroda for their help and encouragement. I would also like to thank the university main library staff for helping me collect my references and gather my data. I would like to express my thanks to **Dr. (Mrs) Rolee Kanchan** Head, Department of Geography for her valuable suggestion and remarks. I would also like to express my gratitude to Professor **R. J. Shah**, Dean, Faculty of Arts for his genuine support and encouragement. I am also thankful to my research colleague **Mr. Vishal Gupta** for his help and cooperation.

I have the honour to express my genuine thanks and appreciation to **Dr. Fazal Mahmood**, Reader, Centre of West Asian Studies, AMU, Aligarh, whose valuable suggestions, ideas and insights helped to produce this work.
