

ACKNOWLEDGEMENTS

I owe my gratitude to Dr. Jayraj Jadeja, Professor of Marketing, Faculty of Management Studies, The M. S. University of Baroda and my guide, under whose able guidance and support, I have been able to successfully complete this treatise in a reasonable amount of time. My sincere thanks to him for all the time he has invested in training me in the area of technology applications in management and marketing research.

This study has been the outcome of efforts and able guidance of Prof. G. C. Maheshwari, Head and Dean, Faculty of Management Studies, The M. S. University of Baroda. I feel extremely indebted to him for providing me the opportunity to work on this thesis.

I express my sincere thanks to all the bank representatives who have immensely cooperated and spared their valuable time in addressing the needs of this study. I also thank all the bank customers for their patience and time in providing judgemental responses.

My thanks to Prof. Diptesh Ghosh, Professor at IIM Ahmedabad ; Prof. Bibek Banerjee, Professor at IIM Ahmedabad ; Prof. Rajanish Das, Professor at IIM Ahmedabad ; Prof. Savita Gandhi, Head of Computer Science at Gujarat University ; Dr. Prateek Kanchan, Reader at BK School Gujarat University ; Mrs. Smriti Dagur, MIS Consultant ; Mr. Bipin Mehta, Director HL Institute of Computer Applications ; for conducting pretest of the questionnaires for this dissertation and providing their valuable inputs.

I cannot forget Mr. Mahesh R Pandya, Mr. Pragnesh Amin and the rest of the administrative staff at the Faculty of Management Studies, The M. S. Universtiy of Baroda, for their constant support.

Finally, I would like to thank my immediate family: my 2 children Antara and Dhruv and my husband Arindam for patiently tolerating me during my long hours of study and sacrificing the pleasures of evenings and weekends. I also thank Mamoni, Kaku, Pranav, Susmita, Dada, Didibhai, Mini, Tiu, Kothari uncle (Late) and Saroj aunty for providing the support and encouragement. My sincere gratitude is due to my parents whose love, moral support and perseverant care over the years contributed significantly towards the completion of this work.
