

ACKNOWLEDGEMENT

I wish to express my deep gratitude to my respected teacher, Dr.S.Srinivasan, M.Sc.,Ph.D.(McGill), Professor and Head, Department of Biochemistry, Medical College, Baroda for suggesting this problem, for his invaluable guidance throughout the course of the work and also for the help in critically examining the manuscript.

I am obliged to Prof.O.D.Gulati, M.D.,M.S. (Colorado), F.A.M.S., the Dean, Medical College, Baroda for providing facilities for carrying out this work.

I am thankful for the research fellowship and facilities extended to me by Sarabhai Research Centre, Baroda.

I am also thankful to Dr.P.J.Dave, M.Sc.,Ph.D. (Germany), Reader, Department of Microbiology, Faculty of Science, The M.S.University of Baroda, Baroda for encouragement and also for critically examining the manuscript.

Finally, I am greatly indebted to my Wife Meenakumari, my elder brother late Shri N.D.Jani and all the friends for their help and cooperation.

* M.D.JANI
