

## A C K N O W L E D G E M E N T S

I am expressing my deep sense of gratitude to my revered guide Dr. (Mrs.) K.A. Bhagwat, Reader Department of Botany, the M.S. University of Baroda for introducing me to this new field of research. Her esteemed guidance and creative criticisms with constant encouragement for tentative attempts are sincerely thanked with deep sense of gratitude.

I also express my sincere thanks to Prof. S.D. Sabnis, Head, Department of Botany and the Dean Faculty of Science for providing adequate research facilities and showing special interest in my work. I acknowledge the interest shown by Prof. R.P. Bhatt in my work.

I am greatly indebted to Dr. M. Anbazhagan, a colleague cum friend and a constant source of inspiration, for his ardent help rendered most of the time during the investigation. My other colleagues, Mr. K.E. Mothikumar and Mr. N. Murugan also need special mention here for their co-operation during the course of this work which I acknowledge warmly.

Special acknowledgements are also due to Dr. R.N. Jadhav Senior Scientist, LRD, SAC, Dr. R.R. Navalgund, Head, LRD, SAC, Dr. Baldev Sahai, Group Director, RSAG, SAC and Dr. Hariharan Retd. Scientist, SAC, for their suggestion during my research work. I also acknowledge Dr. Kamlesh Lulla presently working at NASA, USA, for his useful hints during his last visit.

Grateful acknowledgements are also made to Dr. S.J. Desai, Shri M.P. Patel, Dr. N.M. Vashi and Dr. Nikhil Desai, of Department of Geology and Shri E.L. Christie, Shri Vinubhai Patel and Shri Gosai of Gujarat State Fertilizer Corporation, Baroda for providing the instrumental facilities required for the inorganic analysis, without whose help this work would not have been completed.

Special thanks are also extended to Mr. N.R. Varshani, and Shri Jagadeesa Pandian, I.A.S, Ex. Collectors, Kheda district for providing facilities during the field work in their respective tenures. Sincere thanks are also due to Shri Yashwantbhai Patel District Agricultural Officer and all the Gram Sevaks of the District Agricultural Office Khambhat taluka for their full co-operation during the field work. I also thank Shri N.H. Solanki for the perfect typing of this thesis.

It gives me pleasure to express my profound sense of gratitude to my beloved parents and to other family members for helping me to fulfil this work with their eternal encouragement and endurance.

Grateful acknowledgement is made to the Indian Space Research Organisation, Ahmedabad, University Grant Commission and Council of Scientific and Industrial Research, New Delhi, for providing the Research fellowship during the entire course of this work.
