

## ACKNOWLEDGEMENT

I express my deep sense of gratitude to my research guide, Dr. Subhash R. Pandya, Reader in Physics, Physics Department, Faculty Of Science, M. S. University Of Baroda, Baroda for his excellent guidance throughout the progress of this work. His ingenuity, keen knowledge and interest in the subject proved to be a constant source of inspiration for me. The value of his contribution far exceeds what these words of appreciation can express.

## A C K N O W L E D G E M E N T

In presenting this thesis it is worth while to express my sincere thanks to all those who have knowingly or unknowingly helped me.

I would like to take this opportunity to express my deepfelt sense of gratitude and indebtness to Prof. H. S. Desai for his valuable constructive suggestions and constant encouragement at everystage during the course of study. I would like to dedicate a part of this research work to his wife Lt. Shrimati Nikunj H. Desai.

I expressed my thanks to Prof. A. B. Darji, Head, Physics Department, Faculty Of Science, M.S. University of Baroda, Baroda For providing the necessary facilities.

Lastly, I wish to express my sincere gratitude for all those who have encouraged me throughout the couse of study. I also express my deepfelt gratitude to my family members. Lastly, I thanks sincerely to everybody again.
