

ACKNOWLEDGEMENT

I could have accomplished my journey only because of grace and blessing of the **GOD**.

I would like to express my gratitude to all who have provided me good support and motivation during my Ph.D. work. I would like to convey my heartfelt gratitude to my supervisor Dr. Pramod S Modi who has allowed me to work under his guidance. I am thankful to him for providing constant support and guidance in many technical issues at various stages of my research work. He provided his in-depth technical knowledge which helped me to define my research path.

I am extremely thankful to Dr. Sorum Kotia, I/C Head, Department Electrical Engineering, Faculty of Technology and Engineering, Vadodara; Dr. Jagrut Gadit and other committee members, Faculty of Technology and Engineering, Vadodara for their valuable suggestions and support during my research work. I am heartily thankful to the Professors of the Department of Applied Mathematics, D A Vasavada and Dr. Nehal G Chitaliya for constant moral support and encouragement during my research work.

I would also like to express my gratitude to the management of my institute, Faculty of Engineering and Technology, The Maharaja Sayajirao University of Baroda, Prof. Dhanesh Patel, Dean, and staff members of the department for providing me very good working environment and all kind of support for my research work. I am also thankful to my dear friends for their constant moral support and encouragement during my research work.

This research is dedicated to my dearest husband Kaushik, my son Moksh and my beloved Parents. They have been a source of continuous encouragement and support. The words are not enough to express my gratitude towards my parent, for their unconditional love and blessings. It is impossible for me to complete my research work without their valuable moral support. Many other people have played a significant role during my research and whose names I have failed to mention. I extend my sincere thanks to all who have contributed directly or indirectly to achieve my ambition.

Ms. Bhavna K Pancholi
