Acknowledgement

I thank God Almighty for giving me a chance to do the research, for all the blessings and also for the courage you have given me to withstand all difficulties and hardships. It would not have been possible to write this thesis without guidance and assistance from the people around me.

At first, I would like to extend my heartfelt gratitude to my research guide, Prof. R. G. Vyas, Head, Department of Mathematics, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara, for his invaluable guidance, enormous knowledge and patient proofreading towards the completion of my thesis. I would also like to thank Prof. H. R. Kataria, Dean, Faculty of Science, The Maharaja Sayajirao University of Baroda, for facilitating with good infrastructure and always helping in all documentation work.

I am also in debt to all of my teachers from my school, college and university, who have blessed me with moral values, ethics and ideals. I am thankful and fortunate enough to get constant encouragement, support and guidance from all of them. I gratefully acknowledge the Department of Mathematics, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara, for its indispensable support. I am thankful to the DRC (Departmental Research Committee) members for their valuable suggestions and comments during the period of my work. I thank my fellow scholars for the stimulating discussions on or off the topic. Especially, I would like to thank Mr. Hardeep Khachar for helping me out in many difficult circumstances. Also, I am thankful to the office staff for their help with documents related work.

I am grateful to my siblings, parents, grandparents and in-laws, who have provided me thorough moral and emotional support in my life. Specially thankful

to my husband, Vikramsinh Puvar, for his unconditional support, care, love and prayers, without his support, I could not have done the research. Also, my loving kids, Aarav and Aaradhya, for cheering me up and helping me with their tiny hands. Their love and support constantly encourage me to achieve my goal.

Sejal V. Puvar
