

## ACKNOWLEDGEMENTS

Primarily, I would like to express my profound gratitude to **Dr. P. T. Deota**, Reader, Applied Chemistry Department, Faculty of Technology and Engineering, The M. S. University of Baroda, who constantly encouraged, inspired and guided me right from the beginning of this work.

I wish to express my gratitude to The Dean, Faculty of Technology and Engineering and to The Head, Department of Applied Chemistry for providing me all the required facilities to carry out my research work.

I convey my heartfelt thanks to UGC and The M. S. University of Baroda, Vadodara, for providing financial assistance for my research.

I also wish to express my gratitude to **Dr. V. J. Koshy**, R & D Manager, IPCL, Vadodara, for her kind support and encouragement throughout the tenure of my research work.

My thanks are due to SAIF, Central Instrumentation Laboratory, Punjab University, Chandigarh and Oxygen healthcare Research Pvt. Ltd. for the spectral analysis. I convey my heartfelt thanks to Prof. A. K. Rakshit, Department of Chemistry, Faculty of Science, The M. S. University of Baroda, for providing me elemental analysis facilities during the course of my research work. I would also like to thank **Mr. Hemal Rokadia**, Jayant Oil Mill for providing samples of long chain fatty esters.

I am also thankful to **Mr. Raju Patil**, Transpek India Ltd., for his help during the course of my research work.

I extend my sincere thanks to all the teaching staff members who have helped me in many ways during my research work. I cannot forget the cooperation extended to me by the non-teaching staff members of the department.

I would like to thank to **Dr. Piyush Upadhyay** and **Dr. Vaibhave Valodkar** for all the help rendered to me in each and every step of my work right from literature survey to compilation of the thesis and the useful suggestions and support they gave me at various stages of my research work.

Thanks are also due to **Dr. Pratik Patel, Dr. Jignesh Patel, Dr. Hemant Soni, Dr. Alpesh Vora, Dr. Nilesh Bonde, Dr. Kalpana Maheria, Dr. G. Yogendranath, Dr. Vinod Acharya, Mr. Heemanshu Patel, Mr. Sushil Chaudhari, Mr. Rakesh Thakkar, Mr. Parimal Patel, Mr. Hemant Patel, Mr. Vimal Shah, Rashmika Patel, Srushti Deshmukh,** and to all my fellow research mates who have maintained a cordial and supportive environment during the research period. Special thanks to **Mr. Amit Jayswal, Mr. Rikesh Joshi, Mr. Mayur Patel, Mr. Gautam Patel and Mr. Bhagyesh Parmar** for their kind cooperation and support.

Finally, I thank my family members for all their love and encouragement, but above all they have taught me that patience, determination, persistence and faith are the keys to success. My Special thanks to “**ANILA**” my wife who has been most instrumental in the accomplishment of this task.

There were so many people who did so many things to help me out at critical times. In this short space, it is just impossible to acknowledge all of them individually. I thank all of you, my friends and colleagues, who have been always with me, in times of need.

  
(Parmar Hemant S.)
