

A C K N O W L E D G M E N T S

I take this opportunity to express my deep gratitude to Professor Suresh Sethna for suggesting the problem and for his guidance throughout the course of this work.

My thanks are due to Professor N.M.Bhatt, Dean, Faculty of Science, Professor P.J.Madan, Dean, Faculty of Technology and Engineering and Professor R.L.Desai, Head of the Textile Chemistry Department, for giving facilities and the keen interest shown in my work.

My thanks are due to Shri S.S.Lele, for the micro-analysis and for the help he ungrudgingly extended and to the Indian Dyestuffs Industries for the generous gift of 1-aminoanthraquinone.

Finally I thank all my colleagues for their kind co-operation and the help they have willingly rendered from time to time.

N. H. Shah.
