

Acknowledgment

As one of the proverbs tells us, “If you want to go fast, go alone. If you want to go far, go together.” Ph.D. is a long journey, but I am very fortunate to have wonderful people who make the journey enjoyable and full of learning experiences.

I would like to express my profound gratitude to my esteemed guide, Prof. R. C. Patel, who has been an unwavering support and guide throughout my academic journey. He is not just a guide but a pillar of strength and a guiding light. He is always available, consistently providing valuable insights and direction. Their systematic suggestions have shaped my research work. He is a caring guide who always followed up on my work, ensuring that I remained on the right path and that my research met the highest standards. Even after retirement, Prof. R.C. Patel continued to support me; this nurturing environment has made my academic journey not only successful but truly fulfilling.

I also sincerely thank the committee members of thesis evaluation for their valuable comments and suggestions on my research.

I would also like to thank Prof. Ashutosh Biswal, Dean, Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda Vadodara, for his administrative assistance. I am grateful for his efforts in organizing departmental activities that have enhanced my knowledge.

I would like to extend my heartfelt gratitude to my teacher, Dr. A. V. Jayalakshmi, who directed me during the preparation of my Research Proposal and helped me to think critically about my research work.

I am grateful to Dr. Jyotsna Amin, Dr. Bhumika Barot, Dr. Sudhir Tandel, and Dr. Deepika Rajawat for their moral support during my research.

I am deeply thankful to my dear friend and senior, Dr. Nisha Prajapati, whose friendship and guidance have been invaluable throughout my academic journey.

I want to offer my warmest thanks to Dr. Vishanu Baldaniya, Mrs. Ekta Priyadarshani, and Mr. Chandrang Pathak for helping me with documentation work and to Dr. Bhavin Chauhan, who taught me a positive attitude can lead to outstanding achievements.

I am highly thankful to all the experts for their timely support in tool making and validating them.

I would like to thank my teachers and colleagues at the Department of Education, The Maharaja Sayajirao University of Baroda, Vadodara, for their encouragement and helpful discussion. I am grateful for the stimulating intellectual environment and collaborative spirit that made my PhD experience so rewarding.

I also want to express my gratitude to all the Teacher educators, School Principals, School teachers, Student teachers and who extended their cooperation in data collecting.

I want to acknowledge the help from the librarians, Mr. Jitendrakumar Shrimali and Mrs. Bhavika Salekar from the Case Department Library, in getting the learning materials I needed for my research. I would like to express my sincere gratitude to H.M. Library for providing me a dedicated room with charging facilities. My deepest gratitude to Mr. Rajendra Rana and Mrs. Divya Rajput for their friendly behavior and willingness to assist me with any queries or concerns was greatly appreciated.

I would also like to thank student Mr. Virang Parmar for his technical support.

I am indebted to my parents, Mr. Jashvantbhai Bhanabhai Dhimmar and Mrs. Radhaben Jashvantbhai Dhimmar, whose love, support, and sacrifices have been the cornerstone of my journey throughout my Ph.D. Their sacrifices and dedication to my education have been instrumental in my success. This achievement is as much theirs as it is mine. I am profoundly thankful for their love, wisdom, and the values you instilled in me, which have shaped the person I am today. I am thankful to them for always being my pillars of strength. I would also like to thank my father-in-law and mother-in-law for their support.

I extend my heartfelt appreciation to my loving husband, Mr. Ashwin Kevat. Throughout this challenging journey of pursuing my Ph.D., his sacrifices and the shared responsibilities have enabled me to focus on my studies. His patience and endless encouragement have been my guiding force, even during moments of doubt. His love and understanding have carried me through the tough times. He is not just my life partner but also my partner in this academic endeavor. I am thankful to him for being the wind beneath my wings.

I want to express my deepest gratitude to my dearest didi, Mrs. Krutika Dhimmar, Mrs. Hemangini Dhimmar, and jija Mr. Vishal Dhimmar and Mr. Vinit Dhimmar, who have played multifaceted roles in my life. The emotional support you all provided was invaluable.

I want to thank friends and loved ones for their unconditional love, unwavering support, and constant encouragement. Their belief in me has been a source of inspiration and motivation.

Last but not least, I would like to acknowledge the funding support provided by UGC, which made my research possible.

I humbly express my deepest gratitude to the Divine, the Source of all blessings and guidance, for the unwavering support and grace illuminating my path. Thank you all for being part of my Ph.D. journey and making it a truly memorable and enriching experience.
