

ACKNOWLEDGEMENT

I take this opportunity to express my gratitude to all those who have directly or indirectly helped me in the accomplishment of my research work.

I would like to express my deepest sense of gratitude to my research guide Prof. A.K. Rakshit, for his invaluable encouragement and guidance throughout the course of this research. It was his moral support, guidance and critical appraisal which always was a solution to every hurdle which I faced during the entire span of my research work.

I am very much thankful to Prof. A.C. Shah, Head of Chemistry Department and Prof. P.K. Bhattacharya for providing me the necessary infrastructural facilities.

I express my gratitude to all teachers of this Department for their timely help and suggestions. Co-operation from the nonteaching staff is also kindly acknowledged.

The financial assistance from University Grants Commission, UGC, Government of India, during the tenure of this research work is gratefully acknowledged.

I take this opportunity to thank my senior colleagues Dr. Ajith. S., Dr. A.C. John & Dr. Veena Vangani for providing me an excellent working atmosphere and suggestions.

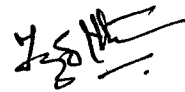

I feel indebted to my colleagues Saiyad, Shireen, Ambarish, Anuradha & Ismail for their moral support and helping hand.

I am also thankful to my friends in the department, warden of Sarojini Devi Hall and hostel friends for their continuous help.

I am grateful to my family members and relatives for their inspiration, affection, prayers and blessings which gave me strength to complete this research work.

Last but not the least, this would have not been possible without the caring, prayers, blessings, moral support and encouragement of my beloved husband and in-laws.

Lastly, I thank Mr. Manjit Banga of Midea Point, Fatehgunj for doing an excellent typing and bringing the thesis in the final form.
