

LIST OF PUBLICATIONS

1. "Physico-chemical studies of methyl methacrylate-acrylonitrile copolymer".
A.K.M. Asaduzzaman and Surekha Devi:
"Polymer Science : Contemporary Themes". Vol.1 p.277. Ed. S. Sivaram,
Tata McGraw Hill, New Delhi, 1991.
2. 'Studies on the grafting of methyl methacrylate onto Poly acrylonitrile'.
A.K.M. Asaduzzaman, H. Raval and Surekha Devi
J. Applied Polymer Science (Communicated)
3. 'Viscosity Characterisation of Random Copolymer of acrylonitrile and
methyl methacrylate'
A.K.M. Asaduzzaman, A.K. Rakshit and Surekha Devi,
Makromol. Chem. (Communicated).
4. Viscosity and thermal behaviour of graft copolymers of methyl methacrylate
and acrylonitrile (PAN-g-MMA).
A.K.M. Asaduzzaman and Surekha Devi.
Polymer International (Communicated)

Papers presented at Symposium

1. 'Synthesis and Characterisation of methyl methacrylate-acrylonitrile
copolymers' at National Symposium on Polymer Chemistry, S.P. University,
Vallabh Vidyanagar, February, 8-10, 1990.
2. 'Viscosity Characterisation of random copolymers of acrylonitrile-methyl
methacrylate', at the IX th Annual Conference ; Indian Council of Chemists
(ICC). Gulbarga University , December 21-23, 1990.
3. 'Physico-Chemical Studies of methyl-methacrylate-acrylonitrile copolymers'
at "Polymers '91", National Chemical Laboratory, Pune. January, 1-4, 1991.
