

## ACKNOWLEDGEMENTS

It is with great sense of gratitude and indebtedness that I express my sincere gratefulness to my guide **Prof. A. C. Shah**, Head, Dept. of Chemistry, under whose constant supervision and encouragement, this work has been completed.

I am also grateful to **Prof. P. I. Ittiyerah**, formerly Vice Chancellor, Gorakhpur University who inspired me to study Organic Chemistry.

I wish to record my thanks to **Dr. A. N. Mishra**, Director, R & D, GACL Baroda, **Dr. R. Soman**, Vice President, Maltichem Research Centre, Baroda, **Dr. B. Gopalan**, Glaxo (India) Ltd., **Prof. G. K. Trivedi**, IIT, Mumbai, **Dr. Roychen Joseph**, Oklahoma State University, USA, **Dr. T. Rajmannar**, Sun Pharma Advanced Research Centre, Baroda and The Director, CDRI, Lucknow for their help in recording the PMR, <sup>13</sup>C NMR and IR spectra of some of the samples. I thank **Dr. S. S. Madhav Rao** for his help in getting the elemental analyses done.

Thanks are due to **Dr. Tullio Pilati**, CNRCSRSRC, Milano, Italy and **Dr. Christine J. Cardin**, University of Reading, UK for their help in conducting the single crystal X-ray diffraction studies of some of the samples.

**Dr. Gireesh Kumar M.P.**, **Mr. Sureshan C. A.** and **Mr. A. Remakanth** deserve my special thanks for their help and moral support. I would like to thank **Mr. J. B. Sainani** for his help and keen interest, during the preparation of this thesis.

I am thankful to my friends especially **Dr. Jacob John**, **Dr. Ajith S.**, **Dr. Ajith Cherian John**, **Dr. Rajeev Rehani**, **Mr. Prasad Kumar**, **Mr. Pradeep P. K.**, **Hetal V. Patel**, **Dr. G. Pradeep Kumar**, **Dr. V. K. Murukesan** and **Mr. Ajith Kumar S.** for their help during the course of my work.

I appreciate **Dr. Krishnan, Bindu** and **Kannan** for providing me a homely atmosphere in Baroda, that made my stay, a pleasant one

I am grateful to my family members, without their help this thesis would not have been possible.

I appreciate **Mr. Laya Pandya** for the careful typing of the manuscript.

Financial assistance received from **Lupin Laboratories (India) Ltd.** is highly acknowledged.
