To whom so ever it may concern

This is to certify that **Mr. Krupal J. Patel** has worked as research trainee at Animal Taxonomy and Ecology Research Laboratory, Department of Life Sciences, Hemchandracharya North Gujarat University, Patan from 01 August, 2022 to 31 December, 2022. During, his training period, Mr. Patel has actively participated in the ongoing studies on taxonomy and ecology of crustaceans. In the taxonomical aspect, Mr. Patel has learned morphological identification of anomuran crabs while in case of ecological aspect, he has learned ecological study design, methods of field data collection, data analysis using PAST software and scientific writing. Mr. Patel has learned use of stereomicroscope and adobe Photoshop in taxonomic identification and illustration of various morphological parts of specimens respectively. Overall, I found Mr. Patel very hardworking and passionate researcher. I wish him best wishes for his bright future.
