

Research Paper Presented in Conference.

- I have presented paper "Relativistic stars under Karmarkar condition on pseudo-spheroidal spacetime" in ICMMAAC-21 held at JECRC University, Jaipur (Raj.), India , in duration of 5-7 August ,2021
- I have presented paper "New charged anisotropic solution on paraboloidal spacetime" in ICMTA-2022 held at Department of Mathematics, SRM Institute of Science and Technology, in duration of 23-25 March 2022.
- I have presented paper "A new model of compact star suitable with pulsar 4U 1820-30" held at Department of Mathematics, Veer Narmad South Gujarat University, in duration of 4-5 March 2023.
