

ACKNOWLEDGEMENTS

=====

I take this opportunity to express my deep sense of gratitude and thanks to Dr.S.M.Divekar for his guidance, planning and encouragement in the present study. But for his inspiring guidance, it would have been extremely difficult, if not impossible, to complete this work. He took sincere interest, offered valuable suggestions and saw that the work was completed, whenever I had approached him.

My thanks are also due to Prof.D.M.Desai, the Head of the Department of Administration and the former Dean of the Faculty for helping me to get the university scholarship for two years.

I am also thankful to the present Dean Prof. A.S.Patel, for his kind cooperation and help whenever I needed the same.

My thanks to Smt.Sarojben Padhye, the CASE Librarian for having offered helping hand and all facilities for the study and complete cooperation.

My thanks to Shri B.D.Mistry for his whole-hearted cooperation in typing the thesis in a very neat and clear manner.

Last but not the least, my special thanks to all for extending their full cooperation, from Librarian of National Archives, Central Secretariate Library, Central Institute of Education and National Institution of Education Library. I also thank to all who have directly or indirectly rendered some help in carrying out the present work.
