

ACKNOWLEDGEMENTS

=====

I cannot adequately acknowledge my debt to a large number of individuals who have directly or indirectly helped me in carrying out this work.

First of all, I am deeply indebted to my guide Prof. A.S. Patel, Head of the Department of Psychology, M.S. University of Baroda, Baroda for his valuable guidance at every stage of this work. I was most fortunate to enjoy the opportunity to work under his expert guidance. But for his warm and inspiring guidance, I could not have completed this work.

I am grateful to my Ex-Principal Dr.C.C.Shah, Arts and Science College, Dabhoi and Principal H.A.Patel, Commerce College, Dabhoi for giving all possible facilities to complete this work.

My thanks are also due to my colleagues and friends for reading the manuscript and offering useful suggestions. I am also grateful to the Principals and teachers of the Schools and Colleges in Dabhoi for their co-operation in providing subjects for this experimental work. I cannot forget to express my sincere thanks to the subjects, whose co-operation contributed to the success of this project.

I am equally thankful to my wife Kokila Parikh for her constant encouragement and interest in my work.

Last but not the least, I express my thanks to Shri B.D.Mistry for typing the manuscript carefully.
