

LIST OF TABLES

TABLE NO.		PAGE
1 :	The Names of the Schools and Colleges from which the Sample was chosen.	.. 201
2 :	Experimental Design.	.. 205
3 : A :	Showing the Mean Scores and Standard Deviation on Perceptual Task : Length Discrimination Test.	.. 242
B :	Showing the Results of Analysis of Variance on Perceptual Task : Length Discrimination Test.	.. 243
4 : A :	Showing the Mean Scores and Standard Deviation on Perceptual Task : Size Constancy Test.	.. 244
B :	Showing the Results of Analysis of Variance on Perceptual Task : Size Constancy Test	.. 245
5 : A :	Showing the Mean Score and Standard Deviation on Perceptual Task : Reversible Figure Test (Positive attitude).	.. 248
B :	Showing the Results of Analysis of Variance on Perceptual Task : Reversible Figure Test (Positive Attitude).	.. 248
6 : A :	Showing the Mean Scores and Standard Deviation on Perceptual Task : Reversible Figure Test (Negative attitude).	.. 249
B :	Showing the Results of Analysis of Variance on Perceptual Task : Reversible Figure Test. (Negative Attitude).	.. 249
7 : A :	Showing the Mean Scores and Standard Deviation on Perceptual Task : Emotionally Toned Words Test.	.. 250
B :	Showing the Results of Analysis of Variance on Perceptual Task : Emotionally Toned Words Test.	.. 251
8 : A :	Showing the Mean Scores and Standard Deviation on Perceptual Task : Form-Colour Dominance Test (Form Dominant).	.. 252
B :	Showing the Results of Analysis of Variance on Perceptual Task : Form-Colour Dominance Test. (Form Dominant)	.. 253

(List of Tables)

Table No.

Page

9 : A :	Showing the Mean Scores and Standard Deviation on Perceptual Task : Form-Colour Dominance Test (Colour Dominant).	..253
B :	Showing the Results of Analysis of Variance on Perceptual Task : Form-Colour Dominance Test (Colour Dominant).	..254
10 : A :	Showing the Mean Scores and Standard Deviation in Seconds on Perceptual Task: Embedded Figure Test.	..256
B :	Showing the Results of Analysis of Variance on Perceptual Task : Embedded Figure Test.	..256
11 :	Showing the Correlation between Perceptual Task : Length Discrimination Task and Different Personality Traits of Total Sample as well as Sub-groups.	..262
12 :	Showing the Correlation between Perceptual Task and Different Personality Traits of Total Sample as well as Sub-Groups.	..267
13 :	Showing the Correlation between Perceptual Task : Reversible Figure Test (Positive Attitude) and Different Personality Traits of Total Sample as well as Sub-groups.	..273
14 :	Showing the Correlation between Perceptual Task : Reversible Figure Test (Negative attitude) and Different Personality Traits of Total Sample as well as Sub-groups.	..277
15 :	Showing the Correlation between Perceptual Task : Emotionally Toned Words Test and Different Personality Traits of Total Sample as well as Sub-groups.	..281
16 :	Showing the Correlation between Perceptual Task : Form Colour Dominance Test (Form-Dominant) and Different Personality Traits of Total Sample as well as Sub-groups.	..285
17 :	Showing the Correlation between Perceptual Task : Form-Colour Dominance Test (Colour Dominant) at Different Personality Traits of Total Sample as well as Sub-groups	..289
18 :	Showing the Correlation between Perceptual Task: Embedded Figure Test and Different Personality Traits of Total Sample as well as Sub-groups
