

LIST OF TABLES

CHAPTER-IW

Page

TABLE NO.

4.1	Multiple correlation between the attributes of Toilet soap and personality factors among Maharashtrians and Gujaratis.	181
4.2	Partial Correlation between the attributes of Toilet soap and personality factors among Maharashtrians.	182
4.3	Partial Correlations between the Attributes of Toilet soap and personality factors among Gujaratis.	183
4.4	Multiple correlation between the attributes of Toothpaste and personality factors among Maharashtrians and Gujaratis.	184
4.5	Partial correlation between the attributes of Toothpaste and personality factors among Maharashtrians.	185
4.6	Partial correlation between the attributes of Toothpaste and personality factors among Gujaratis	186
4.7	Multiple correlation between the attributes of Face/Talcum powder and personality factors among Maharashtrians and Gujaratis.	187
4.8	Partial correlation between the attributes of Face/Talcum powder and personality factors among Maharashtrians.	188
4.9	Partial correlation between the attributes of Face/Talcum powder and personality factors among Gujaratis.	189
4.10	Multiple correlation between the attributes of Cloth/Dress material and personality factors among Maharashtrians and Gujaratis.	190

CHAPTER-IV

TABLE NO.

Page

4.11	Partial correlation between the attributes of Cloth/Dress material and personality factor among Maharashtrians.	191
4.12	Partial correlation between the attributes of Cloth/Dress material and personality factors among Gujaratis.	192
4.13	Multiple correlation between the attributes of Toilet soap and personality factors among Males and Females.	193
4.14	Partial correlation between the attributes of Toilet soap and personality factors among Males.	194
4.15	Partial correlation between the attributes of toilet soap and personality factors among Females.	195
4.16	Multiple correlation between the attributes of Toothpaste and personality factors among Males and Females.	196
4.17	Partial correlation between the attributes of Toothpaste and personality factors among Males.	197
4.18	Partial correlation between the attributes of Toothpaste and personality factors among Females.	198
4.19	Multiple correlation between the attributes of Face/Talcum powder and personality factors among males and females.	199
4.20	Partial correlation between the attributes of Face/Talcum powder and personality factors among Males.	200
4.20	Partial correlation between the attributes of Face/Talcum powder and personality factors among females.	201

CHAPTER-IV

TABLE NO.

4.22	Multiple correlation between the attributes of Cloth/Dress material, and personality factors among Males and Females.	201
4.23	Partial correlation between the attributes of Cloth/Dress materials and Personality Factors among Males.	203
4.24	Partial correlation between the attributes of Cloth/Dress material and Personality factors among Females.	204

CHAPTER - V

TABLE NO.

5.1	Multiple correlation between the attributes of Toilet soap and EPPS Needs among Maharashtrians and Gujaratis.	223
5.2	Partial Correlation between the attributes of Toilet soap and EPPS Needs among Maharashtrians.	224
5.3	Partial Correlations between the attributes of Toilet soap and EPPS Needs among Gujaratis.	225
5.4	Multiple correlation between the attributes of Toothpaste and EPPS Needs among Maharashtrians and Gujaratis.	226
5.5	Partial correlation between the attributes of Toothpaste and EPPS Needs among Maharashtrians.	227
5.6	Partial correlation between the attributes of Toothpaste and EPPS Needs among Gujaratis.	228
5.7	Multiple correlation between the attributes of Face/Talcum powder and EPPS Needs among Maharashtrians and Gujaratis.	229

CHAPTER - V.

Page

TABLE NO.

5.8	Partial correlation between the attributes of Face/Talcum powder and EPPS needs among Maharashtrians.	230
5.9	Partial correlation between the attributes of Face/Talcum powder and EPPS needs among Gujaratis.	231
5.10	Multiple correlation between the attributes of Cloth/Dress material and EPPS Needs among Maharashtrians and Gujaratis.	232
5.11	Partial correlation between the attributes of Cloth/Dress material and EPPS Needs among Maharashtrians.	233
5.12	Partial correlation between the attributes of Cloth/Dress material and EPPS Needs among Gujaratis.	234
5.13	Multiple correlation between the attributes of Toilet soap and EPPS Needs among Males and Females.	235
5.14	Partial correlation between the attributes of Toilet soap and EPPS Needs among Males.	236
5.15	Partial correlation between the attributes of Toilet soap and EPPS Needs among Females.	237
5.16	Multiple correlation between the attributes of Toothpaste and EPPS Needs among Males and Females.	238
5.17	Partial correlation between the attributes of Toothpaste and EPPS Needs among Males.	239
5.18	Partial correlation between the attributes of Toothpaste and EPPS Needs among Females.	240
