

## ACKNOWLEDGEMENT

I am grateful to all them who have helped me throughout my research work, on a topic which is an upcoming relevant topic in today's context.

I start by extending my heartfelt gratitude to my teacher and guide Prof. C. N. Daftuar who has initiated me into this "challenging" research and has been a profound source of inspiration for the completion of this study.

I am also extremely grateful to the contact persons in various organisations who have been of tremendous help in data collection. I would like to extend my thanks to Mr. Karnad (Amenic), Mr. A. K. Nigam (Railway Staff College), Mr. Gandhi (IPCL), and Major Lal (General Motors). I am also thankful to all the respondents without whose support this whole exercise would not have been possible.

My thanks to the concerned persons in the Hansa Mehta Library - Baroda, Indian Institute of Management - Ahmedabad, Indian Institute of Technology - Kanpur, and IRMA - Anand without their permission it would have been very difficult for me to collect the related literature required for my research work.

I am highly obliged to husband Vinod, my parents-in-laws, my parents, my brother Santosh and most of all son Harsh for enduring patience and constant support throughout the journey. Without which I could never have even dreamed of starting the research. Once again I am deeply thankful to them for their love and care.

I am also extremely grateful to Mr. Prakash Behrani who has been a real help in providing me with books and literature on Enneagram from USA.

My special thanks to Ms. Priya Nair for her regular advice and support. I am also thankful to Ms. Shagufta Jabeen, and Ms. Anupama for helping me.

Appreciation is hardly expressed to Mr. Rashmin Sompura for doing statistical

analysis and helping this thesis, without which my research would have been incomplete.

I am also thankful to owner of Ravechi Collections, Binders and Netweb for their help.

I am also thankful to the teachers, staff members of the Faculty of Education and Psychology, P. L. S. University of Baroda, Vadodara.
