

List of figures

Figure	Title of the Chart	Pg.
Fig.1	Theories of Mind	5
Fig.2	A Typical PRP experiment procedure	11
Fig.3	A Typical PRP curve	12
Fig.4	Diagrammatic representation of Single Channel Hypothesis	15
Fig.5	Diagrammatic representation of PRP experimental procedure along with intermediate stages	16
Fig.6	Overview of information-processing components in the EPIC	24
Fig.7	The task scheduling strategy used by the executive processes for the PRP procedure	42
Fig.8	The prototype PRP curve implied by SRD model	53
Fig.9	The prototype PRP curve implied by SRD model	56
Fig.10	Sequence of processing stages that failed to account for Karlin & Kestenbaum results	70
Fig.11	Sequence of processing stages that failed to account for Karlin & Kestenbaum results	71
Fig.12	Performance operating characteristic (POC) curve from a study by Brickner and Gopher	74
