

<u>Table No.</u>		<u>Page No.</u>
I	Showing details regarding demographic variables of supervisors constituting the sample. ...	106
II	Showing the family pattern of supervisors in both public and private sector organizations ...	107
(1)	Showing partial correlations of skill variety with task identity and task significance ...	122
(2)	Showing intercorrelations of skill variety, task identity, and task significance.	124
(3)	Showing correlations of three core job dimensions with experienced meaningfulness in public and private sector organisations.	126
(4)	Showing correlations of skill variety, task identity, task significance (combined), with experienced meaning for the maintenance and production departments.	130
(5)	Showing correlations of autonomy with experienced responsibility for the work.	131
(6)	Showing the nature and strength of relationship between autonomy and experienced responsibility on the job in case of both maintenance and production departments of public and private sector organizations.	133

<u>Table No.</u>		<u>Page No.</u>
(7)	Showing the relation between feedback from job and knowledge of results	134
(8)	Showing correlations of the combined scores on the three core dimensions with satisfaction and motivation.	136
(9)	Showing correlations of autonomy with satisfaction and motivation.	139
(10)	Showing correlations of feedback from the job with satisfaction and motivation	143
(11)	Showing correlations of JMP with satisfaction and motivation	146
(12)	Showing correlations of the five core job dimensions with satisfaction and motivation variables on the overall basis in both public and private sector organisations.	149
(13)	Showing correlations of job motivating potential with affective outcomes and contextual satisfaction for the high growth need and the low growth need groups.	153
(14)	Showing 'F' ratios in case of job motivating potential (JMP)	155
(15)	Showing 'F' ratios in case of contextual satisfaction - job security.	156

<u>Table No.</u>		<u>Page No.</u>
(16)	Showing 'F' ratios in case of contextual satisfaction - compensation (Pay)	157
(17)	Showing 'F' ratios in case of contextual satisfaction - co-workers.	158
(18)	Showing 'F' ratios in case of contextual satisfaction - supervision	159
(19)	Showing 'F' ratios in case of contextual satisfaction - all four factors taken together	159
(20)	Showing 'F' ratios in case of affective outcomes - general satisfaction.	161
(21)	Showing mean scores for sector X department interaction.	161
(22)	Showing 'F' ratios in case of affective outcomes - Internal work motivation.	162
(23)	Showing 'F' ratios in case of affective outcomes - growth need satisfaction.	162
