

APPENDIX II

HIGHER ORDER QUESTIONS

1. If you were the Prime Minister of India, during the time of emergency in the year 1975, what would you have done (in that situation) ?
 2. What, according to you, could be the best way to remove untouchability ?
 3. Give a suitable title to the following paragraph :
We depend on agriculture for food, clothing, shelter and other daily requirements of our life. People can become prosperous on account of agriculture. Ours is an agricultural country. Majority of the people are engaged in agriculture, yet so many people do not get sufficient food, clothes or good shelter. Peasants do not have complete knowledge of agriculture. So, even though the land is good they cannot get full production so the study of agricultural science is important for us.
 4. What will happen if the source of light is taken away by nature ?
 5. Why Carbon Dioxide gas is used for extinguishing purposes when some other gases also have the same property ?
