

## **ACKNOWLEDGEMENTS**

It is a pleasant aspect that I have now the opportunity to express my gratitude for all those who accompanied and supported me in this journey of completing my Ph.D.

First of all, I would like to express my deepest sense of gratitude and everlasting respect to my research advisor Dr. Prakash B. Samnani Department of Chemistry, Faculty of Science, under – eminent guidance; I have carried out my research work. It was his keen interest, constant encouragement and valuable suggestions and guidelines, through supervision in every matter, which enabled me to complete this work. His scholarly suggestions, prudent admonitions, immense, constant help and affectionate behavior have been a beacon of light for me. His suggestions will remain with me as an inexhaustible source of scientific learning throughout my life.

It gives me immense pleasure to acknowledge the help, co-operation, continuous support suggestions, encouragement and involvement rendered by Dr. J. S. Mishra, Dr. Sushil Kumar, Dr. V.K. Tiwari, Mr. Dushayant Reddy, Mr. Santosh, Mr. Sunil Kumar Singh, Mr. Sanjay Divedia, Dr. Puja Ray and Mr. Umesh Shinde during my Ph.D work.

I would like to thank Dr. S. Y. Pandey, Head, Department of Chemistry, Jai Research Foundation, Vapi, Gujarat, for providing the facilities for research. His inspiring guidance and constant motivation have helped me to understand better and remain optimistic.

I am grateful to Dr. B. Saha, Vice President (R&D), Nagarjuna Agrichem, Limited, Hyderabad, who inspired my interest in Science and ushered me towards a career in pesticides. True mentors are the anonymous reviewers who showed the rationale of research to me. This has greatly helped in improving the insights, skills and taught process in the approach, design and analysis of research problems.

My heartfelt gratitude to my parents Shri Yugal Kishor Vishwakarma and Ms. Vimla Vishwakarma for their continuous support & encouraging me through my all endeavor.

I am thankful to my wife Ranjana Vishwakarma for keeping patience & compromise during this journey. I am very thankful to my son and daughter Abhi Vishwakarma and Shubhangi Vishwakarma for bringing smile on my face, when I was tired during this journey and I am very sorry to both of them for not spending time with them.

I am very thankful to my sisters Geeta Vishwakarma, Sita Vishwakarma and Jyoti Vishwakarma & brother Ramesh Vishwakarma for their continuous support & encouragement for research work.

Above all, I will owe it all too Almighty GOD SHIVA for granting me the wisdom, health & strength to undertake this research task & enabling to its completion.
